COMMON AWARD

The present dispute has been raised by 15 workmen challenging their dismissal from service dated on 7.5.1985 contrary to the provisions of the Industrial Disputes Act, 1947 and prayed that the dismissal order is to be set aside and to direct the Respondent to reinstate them into service with full back wages, continuity of service and all attendant benefits with full back wages.

2. All the 15 Petitioners, in LC Nos. 11/2009 to 24/2009 & LC No.46/2010, have filed their claim petitions separately. But, as the material contentions and counter contentions in all these petitions are common, for the sake of convenience, all the cases have been clubbed together by order dated 9.4.2018 and common evidence for all these cases have been recorded in **LC No. 14/2009**. The averments in all these 15 petitions as well as in the respective counters filed by the Respondents are one and the same, hence, in order to avoid repetition, the contentions and counter contentions made in the petitions and the respective counters filed in these 15 cases have been taken up together and after hearing from both the sides a common award is passed.

3. **As can be seen from the contentions of the Petitioners the claim of the Petitioners is briefly as follows:**

The Petitioners were appointed in the Respondent's organization in the year 1984 as Air Crusher Operator/Operator/welder/helper/attender/ Lab Sample Boy/ Mechanic/ Office Boy etc.. on consolidated salary of Rs.350/- per month. The Petitioners were working under the Respondent with the utmost satisfaction of their superiors. The Petitioners formed an union in the name and style as Nagarjuna Cement Ltd., Workers Union affiliated to AITUC, having Regd. No.897 dated 30.4.1984. The above said union number of times submitted representations to the management to pay minimum wages to the workmen as prescribed by the Government of A.P. and also represented on so many grievances of the workmen. The union also issued notices to the management to go on strike from 25.7.1984

onwards for the above said demands. Subsequent to this a compromise was made before the Dy. Commissioner of Labour at Hyderabad. Thereafter, the Petitioners were allowed for duties. It is also submitted that the management with a grudge falsely implicated these Petitioners along with 9 other workers in a criminal case bearing SC No.84/1985 by stating that the Petitioner's union and other unions attacked with each other. But as it was a false case it was ended with acquittal on 9.10.1991 on the file of the Assistant Sessions Judge, Miryalaguda. Subsequent to the judgement in the above said criminal case the Petitioners and others approached the management to reinstate the Petitioners into service and the union also submitted one representation on dated 8.2.1995 to the management under intimation to the Commissioner of Labour for explaining the facts and circumstances, and the judgement, and also requested the management to reinstate the Petitioners into service. The management submitted a letter to the Assistant Labour Commissioner (C), Nalgonda on 18.3.1995 stating that the entire matter is pending adjudication before the Hon'ble High Court in WA No.452/1985 and 234/1985. Hence no discussion can be made during the pendency of the writs. It is further stated that during that time the management might have issued charge sheet and show cause notices on the Petitioners. But those were not served on the Petitioners, who were not aware of the enquiry also. It is also stated that WA No.125/1985 and WP No.1022/1985 both are disposed off by the Hon'ble High Court of A.P., Hyderabad on 24.11.1988 by observing that the management by conducting a domestic enquiry dismissed the workmen. So the Writ appeals are no more pending and dismissed as infructuous. Subsequent to this judgment; in SC No.84/1985 judgement was also delivered on 9.10.1991 by acquitting the Petitioners. After this judgement the Petitioners and similarly situated persons, number of times approached the management for their reinstatement. But the management informed that they will inform by sending letters for their reinstatement. Therefore the Petitioners kept quite. It is stated that as per the allegation of the management the Petitioners attacked on the staffs of the Respondent management and absented for one week. But the said allegation was false and baseless and the charges were framed only because of the grudge for giving strike notice, and even the concerned criminal case was ended with acquittal. The charges framed against the Petitioners were not specific and are not relevant with the present order of dismissal. It is further submitted that the Respondent terminated the Petitioners from service without serving charge sheet, show cause notice, thus, the enquiry conducted by the management is illegal, arbitrary, unjust and the enquiry was conducted against the principles of natural justice. It is also submitted that two similarly situated persons who had been dismissed from service along with the Petitioners were reinstated into service by the Respondent management. Those are: Sri Dasari Venkateswarlu (Welder) and Sri Suryanarayana(Electrician). But the case of the Petitioners was not considered. It is further submitted that having no alternative remedy the Petitioners were constrained to file these petitions. It is prayed that this Hon'ble Court may be pleased to set aside the dismissal order dated 7.5.1985 passed by the Respondent by declaring it as bad, arbitrary, illegal against the principles of natural justice and direct the Respondent to reinstate the Petitioners into service with continuity of service with all consequential benefits and full back wages.

4. **Respondent management has filed their counter statement with the averments in brief as follows:**

The Respondent management while denying the entire allegations of the Petitioners made in the claim statements have stated that the claim of the Petitioners is not maintainable as the claim has been made after a gap of 25 years. It is specifically stated that the Petitioners were appointed as Welder/ Air crusser/ crusser w.e.f. 1.1.1984 on a consolidated salary of Rs.400/-. The Petitioners while working in the Respondent's organization were remained unauthorizedly absent w.e.f. 2.9.1984 without prior permission or sanction of leave from the superiors. Therefore, the management issued charge sheet dated 16.1.1985 to the Petitioners for habitual absence under clause 14(3) and 20(f) of Model Standing Orders. An opportunity was given to the Petitioners to submit explanation to the charge sheet by registered post with acknowledgement due. But, the postal cover was returned with the endorsement that, "addressee was not available for 7 days." Thereafter the management has issued a notice of enquiry dated 6.2.1985 and the same was duly received by the Petitioners and the management has issued another notice of enquiry dated 22.2.1985 and the same was returned with endorsement, "addressee was not available for 8 days". In spite of service of the notice of enquiry, the Petitioners did not prefer to appear before the Enquiry Officer. Therefore, the enquiry was proceeded in absence of the Petitioners. But as a matter of fact of abundant caution, the said enquiry notice was also published in the Eenadu news paper dated 5.3.1985. It is also submitted that dispute of receiving notice and paper publication, the Petitioner workmen remained absent before the Enquiry Officer and there was no further representation from the Petitioners' side and the management after taking all possible steps to notify the said workers about the date, time and place of enquiry by following the requirements of natural justice proceeded with the enquiry. In view of the deliberate absence of the Petitioners before the Enquiry Officer, the Petitioners were set ex-parte. Accordingly, the management representative examined two witnesses and marked Ex.M1 to M5 during the course of enquiry. Thereafter, the Enquiry Officer has also submitted his report on 12.4.1985 holding that out of the three charges levelled against the Petitioners Charge No.1 is proved. Charge Nos. 2 & 3 about Petitioners' past record and overstaying of their sanctioned leave were not proved. Thereafter, the Respondent after considering the gravity and seriousness of each of the misconducts proved against the Petitioners, found the Petitioners as guilty and passed punishment of dismissal from service by order dated 7.5.1985. It is also submitted that the pendency of criminal case bearing No.84/1985 and subsequent acquittal of the Petitioner workmen have no relevance to the fact of the present case but, as the Petitioner workmen were dismissed from service on the ground of unauthorized absence they have been dismissed from service and not due to their involvement in the criminal case. The allegation of the Petitioners that the charge sheet and the show cause notice were not served on them,

and the Petitioners were not available in the enquiry is totally false and baseless. In fact the Petitioners have received the enquiry notice followed by a paper publication. The management has conducted the enquiry following the principles of natural justice and prescribed law. Thus, the Respondent submitted that the allegation of the Petitioners is false and frivolous and the claim petition filed by the Petitioners be dismissed with costs.

5. The domestic enquiry conducted in these cases has been vitiated vide order dated 22.4.2016 and held invalid. Thereafter the Respondent has adduced its evidence, the Respondent examined Mr. T. Sai Satya Murthy, Commercial Senior Assistant of their company and he was cross examined but the Petitioner did not like to adduce any evidence. The Respondents also proved four documents as Ex.M1 to M4.

6. I have already heard the Learned Counsels for both the sides in the matter and perused the written notes of argument filed by the parties.

7. **As per the pleadings of both the parties, the following points are settled to determine the controversies of the parties:-**

I. Whether the action of the management of Nagarjuna Cements Ltd., in dismissing the Petitioners (as per cause title) is legal and justified?

II. If not, to what the concerned workmen are entitled for?

8. **Point Nos. I & II:** The Learned Counsel appearing on behalf of the Petitioners contended that in all the 15 cases, the Petitioner workers worked in Nagarjuna Cements Ltd., Simhapuri Mattapalli Village, Mathampalli Mandal, Nalgonda District. In all the cases the Petitioners have challenged their termination order as illegal and in violation of the principles of natural justice. It is also contended that as an ex-parte enquiry was conducted by the management it was vitiated by order of this court dated 22.4.2016. Even though WPs were filed before the Hon'ble Court against the order of this court, there was no stay or suspension of the same by the Hon'ble High Court. The dismissal of the Petitioner is against the principles of natural justice and also illegal. The Learned Counsel also contended that the Petitioners in all the cases are illiterates and poor persons and they did not know the provisions of law for their remedy. Anyhow, the Petitioners had challenged their termination before the ALC(C), Nalgonda. There was a compromise before the Commissioner, but it was not implemented. It is also argued that the Respondent management implicated the Petitioners in a criminal case bearing SC No.84/1985 which was ended in acquittal on 9.10.1991. So the Petitioners could not think about the further remedy against their termination. So there are no lapses on the part of the Petitioners. It is stated that WP No.1022 of 1985, WA No.125 of 1985, WA No.452 and 234 of 1985 had been filed by the Petitioners which were disposed off on 24.11.1985. As because in all these cases the Petitioners were in confusion, so they could not approach the appropriate forum within a reasonable time and as such there was delay in filing of the IDs. The Learned Counsel contended that in fact limitation act will not apply to the IDs which were filed before September, 2010 as per Amendment to Sec.3 of the Industrial Disputes Act, 1947:- In so far as latches are concerned, the Petitioners are being illiterates, and suffering with so many problems and under confusion of so many cases, the Petitioners could not approach this court in a reasonable time, and it should be examined very leniently. He further contended that the Hon'ble High Court's as well as the Apex Court repeatedly reiterated that Industrial Law essentially meant to protect the rights of the workmen and sometimes it is called as biased law, biased towards workmen as reported in, 2000(3)ALD (85). Mere delay in challenging the termination would not be a bar to the adjudication of the matter. Claim of the employees can not be denied on the ground of latches. The Petitioners can not be deprived of their legitimate right merely because there are some latches. Limitation can not be directly apply in case of all uneducated workmen. When it is a good case latches can not be applied. He further contended that the Respondent management has made false allegations against the Petitioners. The allegation was that the Petitioners along with some others attached on the staffs of the Respondent management, and absented for a week, but the said allegation was false and baseless and charges were framed only because of grudge for giving strike notice. Even though a criminal case was initiated the Petitioners were acquitted. The charges framed against the Petitioners were not specific and are not relevant with the present order of dismissal. It is submitted that as the domestic enquiry conducted by the management was vitiated, the Petitioners be reinstated into service. It is also submitted that two similarly situated persons who had been dismissed from service along with the Petitioners were reinstated into service by the Respondent management, those are, Sri Dasari Venkateswarlu (Welder) and Sri Suryanarayana (Electrician). But the case of the Petitioners were not considered. It is further submitted that considering the materials available on record the Petitioners may be reinstated into service.

9. In support of his contentions he relied on the decisions reported in (2014) LAB.IC 4266 wherein it has been held that, "*provisions of Limitation Act do not apply for adjudication of Industrial Dispute and the workmen can not be denied to seek relief only on the ground of delay in raising the dispute.*" Relying on the judgement reported in (2015) 4 SCC 458, he contended that, "*delay of 3 years in approaching the Tribunal against termination order – held in consequential.*" Similarly in (1999) 6 SCC 82, he stated that, "*regarding delay Petitioner could not be deprived of the benefits under the Act merely on the technicalities of law.*" In 2012(1) ALD 220(DB), "*claim of the employee cannot be denied on the ground latches. The Petitioner cannot be deprived of legitimate right merely because there is some delay.*"

In 2000 (1) ALD 118, “the claim of the employee cannot be denied on the ground of laches in filing petition.” In 2000(3)ALD 85, it is held that “petition not liable to be dismissed on the mere ground of laches when the claim of the Petitioner is valid. The Supreme Court and High Court held repeatedly and reiterated that Industrial Law essentially meant to protect the rights of the workmen and sometimes it is called biased law, biased towards workmen. It cannot put forward technicalities to defeat the legitimate rights of the workmen.” In 2000(4) ALD 584, it is held that, “limitation can not be strictly applied in case of uneducated workmen.” And lastly he submitted that as there was delay in filing the above IDs, the delay should be condoned and appropriate relief be granted to the Petitioners.

10. On the other hand, the Learned Counsel appearing on behalf of the Respondent in all the cases contended that as per the admission of the Petitioners they have filed these cases in the year 2009 challenging the order of dismissal dated 7.5.1985 and as such these cases have been filed after lapse of 24 years. No satisfactory explanation is offered by the Petitioners about the unjustified delay. In fact, as per his contention prior to September, 2010 as per Amendment of Sec.3 of the Industrial Disputes Act, 1947 there was no specific limitation for filing of the ID cases but it does not mean that after a lapse of several years a case can be agitated. In this case though the Respondent has adduced evidence the Petitioner did not like to adduce any evidence. It is not known what is the status of the Petitioners at present. The Petitioners being the workers of the Respondent management attacked the senior members of the Respondent's company on 2.9.1984 for which a criminal case was initiated. Admittedly, the Petitioners are acquitted in the criminal case, but when the workers were involved in criminal cases they should not be allowed to work in the Respondents management. In support of his contention he relied on the decision reported in SCC 2008(118) ALR 400, wherein their Lordships held that, “Assault, intimidation are penal offences. A workman indulging in commission of a criminal offence should not be spared only because he happens to be a Union leader. The Act does not encourage indiscipline. It will be a matter of some concern if the opinion of the Enquiry Officer can be totally ignored despite the fact that the management is precluded from adducing any fresh evidence before the Labour Court. A union leader does not enjoy immunity from being proceeded with in a case of misconduct. The upshot of our discussion is that the decision of the Labour Court should not be based on mere hypothesis. It cannot overturn a decision of the management on ipse dixit. Its jurisdiction under Section 11-A of the Act although is a wide one, must be judiciously exercised. Judicial discretion, it is trite, cannot be exercised either whimsically or capriciously. It may scrutinize and analyse the evidence but what is important is how it does so.” In the same judgement relying on another case decided in the case of Government of India and another Vs. George Philip, it is observed that, “overstay of leave and absence from duty was held to be not only an act of indiscipline but also subversive of the work culture in the organization, stating: Article 51-A(j) of the Constitution lays down that it shall be the duty of every citizen to strive towards excellence in all spheres of individual and collective activity so that the nation constantly rises to higher levels of endeavour and achievement. This cannot be achieved unless the employees maintain discipline and devotion to duty. Courts should not pass such orders which instead of achieving the underlying spirit and objects of Part IV-A of the Constitution has the tendency to negate or destroy the same.”

11. As per his contention in view of the decision cited above, the Petitioners should not be allowed to continue in service. He also contended that when the Respondent has adduced evidence in support of his strength the Petitioner did not adduce any evidence. It is not known what prevented the Petitioners to adduce any evidence. The court should not grant any relief basing on the pleadings of the Petitioners. In support of his contention he relied on a decision reported in WA No.1159/2003 decided in the case of The General Manager, M/s. Singareni Collieries Company Ltd., Vs. Presiding Officer, Industrial Tribunal and another wherein it was held that, “the Tribunal has to simply reject the claim if no evidence is available on record. but we hasten to add that if a lis between the workmen and the Management can be disposed of on the strength of the evidence let in by one of the parties, the Tribunal is entitled to dispose of the same on the basis of available evidence and in such an even the burden of proof may pale into insignificance. But at any rate, the lis cannot be disposed of in the absence of any acceptable evidence on record.” The Learned Counsel for the Respondents also relied on the case of Mahindra and Mahindra Ltd., Vs. N.B. Naravade reported in C.A. No.1508/2003 with C.A. No.1507/2003 wherein it has been held that, “sympathy alone not enough to reduce punishment – On facts, use of abusive, filthy language against superior officer, held, did not call for lesser punishment than dismissal.” As per his contention when there is no evidence available before this court, the claim of the Petitioners can not be accepted. Similarly, he relied upon another decision reported in 2005(1) LLJ page No.1135 SCC, Employers, Management Colliery, Bharat Cooking Coal Ltd., Vs. Bihar Colliery Kamgar Union through workman, wherein his Lordships held that. As per his contention in the instant case the Petitioners have brutally assaulted the senior officers of the management for which they have been dismissed from service. The court should not have interfered in the dismissal order imposed by the management.

12. He also contended that even though the Petitioners were acquitted in the criminal case why they have not made any representation to the authority for their reinstatement or come to the appropriate court for redressal. Even though the Petitioners were acquitted from the criminal charges in the year 1991 they slept over the matter for a period of 19 years, they have not given any justifiable explanation why they have not agitated the matter before the appropriate forum. After acquittal from the criminal charges their dispute must be alive, the Petitioners have not agitated in such dispute. In support of his contention he also relied on a decisions reported in 2017 (153) FLR 234 in WP No.5960 of

2011 between K.R. Reddy and Industrial Tribunal-II, Hyderabad wherein their Lordships held that, “To claims arising under the Industrial Disputes Act – primary requirement to refer a dispute – is that dispute must be alive – the manner of espousing grievance is important factor. When the dispute is not alive no equitable relief is available for the claimants in the courts as per his contention.” “It is now a well recognized principle of jurisprudence that a right not exercised for a long time is non-existent. Even when there is no limitation period prescribed by any statute relating to certain proceedings, in such cases Courts have coined the doctrine of laches and delays as well as doctrine of acquiescence and non-suited the litigants who approached the Court belatedly without any justifiable explanation for ringing the action after unreasonable delay. Doctrine of laches is in fact an application of maxim of equity “delay defeats equities.”

13. He further contended that a dispute which is stale could not be the subject-matter of reference under Sec.10 of the Industrial Disputes Act, 1947. In support of his contention he relied on a decision reported in 2000(84) FLR page No.673 SCC between The Nedungadi Bank Ltd., Vs. K.P. Madhavakutty and others, wherein it was held that, “the dispute has been not agitated for a long time which is considered as a stale claim and it should not be taken into consideration. He also contended that the doctrine of delay and laches should not be lightly brushed aside. Relying on a decision of the Apex Court decided in the case of Chennai Metropolitan Water Supply and Sewerage Board and others Vs. T.T. Murali Babu, in Civil Appeal No.1941 of 2014 arising out of SLP (C) No.15530 of 2013, he contended that in the above case it has been observed that, “A court is not expected to give indulgence to such indolent persons who compete with ‘Kumbhakarna’ or for that matter ‘Rip Van Winkle’. Such delay does not deserve any indulgence.” As per his contention if a man slept over the matter he is not entitled to get any relief, though limitation is not a bar. Lastly he contended that this Tribunal should not interfere in the punishment awarded by the management when the Petitioners slept over the matter for years together.

14. As per the rival contentions of both the sides it is noticed that, in fact as the Petitioners assaulted the senior staffs of the Respondent company, one Police case had been initiated against them, but they were acquitted in that case. Even though these Petitioners were acquitted in the year 1992, they have not made any representation to the management to consider their case. But they filed the cases before this forum to get relief, and after lapse of about 19 years they have approached this Tribunal. It is not known in these cases how many Petitioners have attained the age of superannuation, and how many Petitioners are in the age group of service age. The Petitioners have not adduced any evidence to establish their claim. When the Respondent adduced their evidence basing on the claims of the Petitioners made in the claim statement, this Tribunal, does not feel it proper to interfere in the order of dismissal passed by the Respondent and as such the Petitioners are not entitled to get any relief as claimed for and as such, the Petitions are dismissed.

Thus, Points Nos. I & II are answered negatively against the Petitioners.

ORDER

The action of the management of Nagarjuna Cements Ltd., in dismissing the Petitioners (as per cause title) is legal and justified and the concerned workmen are not entitled to get any relief as prayed for. Hence, all the 15 petitions are dismissed.

Award is passed accordingly.

AWARD

The Government of India in the Ministry of Labour vide its letter No. L-29012/90/94-IR (Misc.), dated 7.3.1995 in exercising its authority conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 (herein after referred to as "The Act") have referred for an adjudication of a dispute "Whether the

action of the management of M/s. Agarwal Bros, a contractor of M/s. FACOR, Boula Chromite Mines in terminating the services of Shri Nirakar Behera w.e.f. 6.9.1991 is justified. If not, to what relief the workman is entitled?"

2. In his statement of claim the 2nd party-workman has averred that he joined as a Helper at Boula Chromite Mines in the year 1986 under the 1st Party-Management No. 2. The said Management issued the token bearing No. 3965 in his favour so as to enable him to work inside the mines. On 28.4.1987 the Deputy Manager of the 1st Party-Management No. 2 issued an experience and morale certificate in his favour as he was working under the supervision and control of the 1st Party-Management No. 2. It is his claim that he worked continuously under the 1st Party-Management No. 2 from April, 1986 till he was denied employment on 6.9.1991 by the said Management. According to him his service was terminated orally by the said Management. Hence, he submitted an application before the Divisional Manager of the said Mines on 28.9.1991 for allowing him to perform his duty. The application was sent by regd. post and it was received on 1.10.1991 by the office of the Management as per postal A.D. When no action was taken on his application he raised a dispute before the Regional Labour Commissioner (Central), Bhubaneswar. In the conciliation proceeding M/s. Agarwal Brothers was added as a contractor of the 1st Party-Management of FACOR as a stand was taken in the conciliation proceeding that the disputant was working in the mines through the contractor. As the conciliation proceeding failed the dispute has been referred to this Tribunal for its adjudication.

3. Being noticed the 1st Party-Management No. 1, M/s. Agarwal Brothers, and 1st Party-Management No. 2 FACOR appeared and contested the claim by filing separate written statements. In its written statement the Management No. 1 took a stand that the disputant workman was never employed by the Management No. 2 since he was working as a contract labour in the mines of the FACOR on being engaged by him. The disputant was receiving wages from him and he was required to work under his supervision and control. According to the said Management the disputant remained absent from his work with effect from 6.9.1991 and as such question did not arise to deny him the employment. After filing of the written statement, the 1st Party-Management No. 1 did not participate in the proceeding in the later stage for which it has been set exparte. The Management No. 2, M/s. FACOR has contested the claim till last making an assertion that the disputant was never engaged by him and as such there was no scope of "employer and employee" relationship. Since the term of reference clearly indicates that M/s. Agarwal Brothers, who was the contractor of M/s. FACOR had terminated the service of the disputant workman, the 1st Party-Management No. 2 M/s. FACOR is neither a necessary nor a proper party to the dispute and as such his impleadment is bad in the eye of law. There being no "employer and employee" relationship between the parties the workman has no relief against the Management No. 2 and as such, his statement of claim should be rejected.

4. On the aforesaid pleadings of the parties following issues have been settled for adjudication of the dispute.

ISSUES

1. Whether the reference is maintainable?
2. Whether M/s. FACOR is a proper party to this dispute?
3. Whether the action of the Management M/s. Agarwal Brothers a contractor of FACOR, Boula Chromite Mines in terminating the service of the workman with effect from 6.9.1991 is justified?
4. If not, to what relief the workman is entitled?

In support of his claim the workman has examined himself and a co-worker and he has also filed a token bearing No. 3965 allegedly issued by the Management No. 1 and copy of the experience certificate issued by the Deputy Manager of the Management, copy of the representation of the workman dated 28.9.1991 made to the Management and copy of postal acknowledgement card showing the receipt of the representation of the workman by the Management which are marked as Ext.-1 to Ext.-4. On the other hand the Management No. 2 has examined Shri Artatrana Rout and Shri Rushinath Sethi and exhibited documents like copy of the appointment order dated 13.2.1986 and copy of the pay slip issued by FACOR to deny the claim.

FINDINGS

Keeping in view the pleadings advanced by the contesting parties Issues Nos. 2 and 3 being vital to the fate of the case and inter-linked to each other are taken into consideration first. The specific stand of the Management No. 2 is that the disputant workman was never employed by him and he did not work under his control and supervision. Whereas, the 2nd party-workman has asserted that he joined directly in the Management No. 2 as a Helper. Admittedly, there is neither any written document towards employment of the 2nd party-workman by the Management No. 2 nor any paper to show that his service was terminated by the said Management. Not a single scrap of paper is also produced to establish that wages was paid to the workman by the Management No. 2. At the same time it cannot be over-sighted that the workman was engaged to work as a Helper i.e. as a labourer. Usually, no document is created/prepared for engagement or removal of a labourer like the disputant workman. Hence, the claim of the 2nd party-workman cannot be rejected out-rightly on the ground of he failed to produce any authentic document towards his employment. On the

other hand it is emerging from the written statement of the Management as well as the evidence adduced on its behalf that tokens are being issued by the Management so as to enable the labourers/employees to work in the mines. The 2nd party-workman has filed a metallic token bearing No. 3965 claiming to have been issued by the Management No. 2. Further, it is claimed by him that a morale certificate was issued in his favour by the Deputy Manager of the Management No. 2. Admittedly, the genuinity of the said document has been challenged by the Management No. 2. But, it is not disputed by the 1st Party-Management No. 2 that the metallic token was issued by the said Management. It is the stand of the Management that tokens are also issued to the contract labourers also. On a close examination of the oral evidence of the witnesses including that of the workman nothing is found substantial to discard such oral claim of the witnesses in regard to the employment of 2nd party-workman in the establishment of the Management No. 2. Moreover, the Management having admitted to have issued the token is required to prove that the 2nd party-workman was a contract labour and his service was hired through the contractor M/s. Agarwal Brothers. Not a single scrap of paper is filed on behalf of the Management to prove that the Management No. 1 was ever issued with any work order so as to enable him to employ the 2nd party-workman in the mines of the 1st Party-Management. There is no serious dispute to the fact that the Boula Mines belongs to the Management No. 2. When the 2nd party-workman has asserted in his testimony before the Tribunal that he was employed by the Management No. 2 and there is nothing substantial to disbelieve him in his regard and he produced the metallic token belonging to the Management No. 2, and there is no denial that the Management No. 2 admitted that the token is belonging to him, the burden of proof shifts to the Management to establish that the disputant workman was not his employee and he did not work under his control, supervision and payment of wages. That being the position of law the Management is found to have failed to adduce any credible evidence to establish his plea that the 2nd party-workman is a contract labour. The 1st Party-Management is at least expected to adduce oral evidence that during the relevant period M/s. Agarwal Brothers was engaged as a contractor or there was an agreement/work order under which the said Management No. 1 was providing contractor labourer. No document to that effect is also filed. For the discussions made above, I am inclined to hold that the 2nd party-workman was an employee/workman of the Management No. 2 and he worked in the Boula Mines of the Management No. 2 for the period April, 1986 to 06.09.1991 continuously till he is stated to have been denied employment.

As per the pleadings of the Management No. 1 the 2nd party-workman remained absent from his duty on his own accord with effect from 06.09.1991 onwards. In this regard no evidence is available for the Managements to show that the workman had abandoned the job voluntarily. Even if it is accepted for argument sake that he remained absent from his duty, the same being a misconduct on the part of the 2nd party-workman is required to be dealt as per the provisions of the Certified Standing Order of the company. Punishment for such misbehavior can be imposed after an enquiry. Admittedly, there was no enquiry before the service of the workman is terminated. No claim has been made by the Management that it had issued notice to the workman when he was found unauthorizedly absent from his duty. Hence, in absence of any evidence towards the action of the 1st Party-Management for unauthorized absence of the workman, it can be safely presumed that termination of service on the ground of unauthorized absence was not justified and it cannot be tenable in the eye of law. There is no evidence from the side of the Management No. 2 to show that the workman was compensated and paid notice pay as required under section 25-F of the I.D. Act. On the other hand the oral testimony of the workman coupled with his action in forwarding a representation vide Ext.-3 and Ext.-4 clearly reveals that there was no delay on his part to put-forth his grievances before the authority of the Management No. 2 as well as the labour machinery. Hence, the dispute raised by the workman cannot be said after-thought or the same was raised at a belated stage. Thus, the termination of service of the 2nd party-workman on 6.9.1991 by the Management No. 2 is found to be illegal and unjustified.

Coming to the issue of maintainability it is the stand of the Management No. 2 that he is not a necessary party to the reference as he was not the immediate employer of the 2nd party-workman. But, in view of my discussions and findings on fore-going paras that it can be safely said that the Management No. 2 was the real employer of the 2nd party-workman. As such, he is a necessary and proper party to the reference and the reference is maintainable against him. As a matter of settled principles the relationship of the parties to an industrial dispute cannot be adjudged from the term of the reference and the relationship is to be determined from the pleadings and evidence of the parties advanced in the reference. Hence, the Management No. 2 cannot take a millage from the reference on account of he being shown as a principal employer, when the evidence and materials placed before the Tribunal clearly establish the relationship of employer and employee between the Management No. 2 and the 2nd party-workman. Hence, the issue of maintainability is answered in favour of the 2nd party-workman.

Coming to the point of relief to which the disputant workman is entitled to, it is seen that his service was dispensed with without compliance of the provisions of Section 25-F. As per the settled principles of the Hon'ble Apex Court in recent past reinstatement with back wages is not automatic, in case the termination is found illegal and unjustified. Compensation in lieu of reinstatement can be awarded and as such nature of relief to be granted in the case depends upon various factors like mode of appointment, nature of appointment, length of service, factors under which the termination was effected etc. Coming to the case at hand it is seen that the alleged termination of service was

related to the year 1991 and in the meanwhile 27 years have elapsed. In the meanwhile the disputant must have either attained the age of superannuation or near the same age. He worked for the Management for four to five years only. There is also no pleading and evidence to suggest that employment opportunity is still available in the Management No. 2 to reinstate the disputant workman. Having regard to the above facts and circumstances of the case, in my opinion it would be just and appropriate to award compensation in lump-sum in lieu of a direction for reinstatement of the disputant workman with or without wages.

Hence, it is ordered. The Management is directed to pay a compensation of Rs. 3.0 lakhs (three lakhs) to the disputant workman for his illegal and unjustified termination in lieu of his reinstatement. The said compensation shall be paid within three months from the date of publication of the award failing which the workman is entitled to receive interest at a rate of 8% per annum on the compensation amount with effect from the date of publication of the award.

The reference is answered accordingly. A copy of the award be sent immediately as per the Rule for its publication. Free copy of the award be also furnished to the parties after its notification.

AWARD

The Government of India in the Ministry of Labour vide its letter No. L-27012/19/2015-IR(M), dated 22.01.2016 in exercising its authority conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 (herein after referred to as “The Act”) have referred for an adjudication of a dispute “whether the dismissal order passed by the Senior Manager Mines, Sargipali holds good inspite of acquittal of the workman in the criminal case by Hon’ble S.D.J.M., Sundargarh? If not, what relief the workman is entitled to? 2. Whether the workman is entitled to full VRS amount along with interest and Pension? If not, what relief he is entitled to?”

2. As it emerges from the statement of claim filed by the individual disputant workman that he was working as a Mines Attendant in the establishment of the 1st Party-Management situated in the district of Sundargarh with effect from 13.8.1982 to 20.03.2002 when he was discharged from service illegally. On 02.12.2000 he was issued with a charge-sheet-cum-suspension order whereby he was alleged to have committed certain serious misconducts as mentioned in Clause 17(27) and clause 17(32) of the Certified Standing Order of the Management-Company. He submitted his explanation on 16.12.2000. But, the 1st Party-Management discharged him from his service all of a sudden on 20.3.2002 without complying the provisions of the I.D. Act. It is alleged by him that he was dismissed from service because a criminal case was registered against him u/s. 468/471/499 IPC vide G.R. Case No. 639/2000 in the court of S.D.J.M., Sundargarh. He was acquitted by the said Court in the event of pronouncement of the judgement on 18.7.2006. A general revision was preferred by the disputant workman against such judgement of acquittal. But, the general revision No. 920/2006 was dismissed by the Hon’ble High Court on 7.12.2009. It is the claim of the disputant workman that when he has been acquitted in the criminal case, his discharge on account of his involvement in the criminal case is itself illegal and unjustified. Hence, he preferred a Writ vide O.J.C. No. 13281/2000 challenging his discharge order. The writ was disposed of by the Hon’ble High Court on 04.08.2012 with the observation that the case is not maintainable as the 1st Party-Management is not a government organization. Accordingly he raised a dispute before the labour machinery resulting in the reference as mentioned earlier. In his claim statement it has been prayed that the discharge of the workman be treated as V.R.S. and he shall be allowed all service benefits under the V.R.S.

3. Though, the Management appeared and submitted its written statement after being noticed by the Tribunal, in later stage he was set exparte for his default in taking any further steps. In its written statement the Management resisted the claim contending that the reference is bad in law in view of the dispute having been raised after lapse of fourteen years from the date of termination of the workman. As the Management failed to prosecute the matter after filing its written statement, it was set exparte.

4. The workman has examined himself as W.W.-1 in exparte hearing and filed documents like copy of the joining order of the workman dated 13.8.1982, copy of the offer of appointment dated 24.7.1982, copy of the confirmation order dated 28.8.1983, copy of the charge-sheet-cum-suspension order dated 2.12.2000, copy of the simple discharge order of the Management dated 20.3.2002, copy of the non-approval of V.R.S. Scheme dated 13.7.2001, copy of the judgement order of S.D.J.M., Sundargarh in G.R. Case No. 639/2000 dated 18.7.2006, copy of the judgement dated 7.12.2009 in Cr. Rev. No. 920/2006 of the Hon’ble High Court, copy of the Advocate Notice dated 29.10.2010 and copy of the O.J.C. No. 13281 of 2000 dated 14.8.2012 in support of his claim.

5. In his unchallenged and uncontroverted evidence filed in shape of sworn affidavit as prescribed under Order 18 Rule 4 C.P.C. the workman has asserted that he joined as a Mines Attendant in the establishment of the 1st Party-Management of Hindustan Zinc Limited on 13.8.1982 and he was allotted with an I-Card being shown as Employee No. 53206-0. A case was registered against him by OIC Lephripada vide G.R. Case No. 639/2000 in the Court of S.D.J.M., Sundargarh. On initiation of such a criminal case under section 468/471/419 I.P.C. he was discharged from service on 20.3.2002 after being charge-sheeted by the police and suspended by the Management on 2.12.2000. The police case having been disposed of with his acquittal by virtue of the judgement dated 18.7.2006 of the learned Court of S.D.J.M., Sundargarh, his removal from service due to registration of a police case/criminal case has also become bad in law. It is his assertion that as he has been acquitted in the criminal case, his discharge from service in the departmental proceeding initiated by the Management for his alleged involvement in the criminal offences cannot be maintainable in the eye of law. As such, the said order of the Management discharging him from service is illegal and

the same is not sustainable in the eye of law. As it appears from his evidence as well as pleadings advanced in his statement of claim that the workman has not claimed for his reinstatement with full back wages and service benefits. But, he makes a prayer for treating his discharge as V.R.S. and he shall be allowed to avail all service benefits being presumed to have taken V.R.S. According to him the amount paid to him at the time of his discharge towards his G.P.F., gratuity and subsistence allowance are not sufficient and inadequate. Such evidence of the workman remains unchallenged on account of the Management being set exparte. Further, in its written statement the Management has not challenged or denied the pleadings of the workman in respect to his discharge from service due to registration of a criminal case against the workman. The only objection advanced by the Management in its written statement is that the dispute was raised more than fourteen years after the alleged dismissal. Be that as it may, there is no alternate than to hold that the disputant was discharged from service with effect from 20.3.2002 on account of he being charge-sheeted in a criminal case pending before the S.D.J.M., Sundargarh. The judgement of the said court (Ext.-7) clearly shows that the workman has been acquitted in the said criminal case. There is nothing before this Tribunal to hold that a full-fledged departmental proceeding or enquiry was conducted with conformity to the principle of natural justice in which the disputant workman was held guilty for committing any serious misconduct as described in the Certified Standing Order of the Management-company for which he was liable to be discharged from service. In absence of such a pleading and evidence in that regard it can be assumed from the evidence and materials placed before this Tribunal that the disputant was discharged from service merely on the basis of he being charge-sheeted in a criminal case. Further, on a close reading of the documents filed by the applicant workman it is found that criminal case was registered on the allegation that the disputant entered into the service by impersonating himself in the name of Shri Gourang Charan Sa though he is known as Chhabila Kishore Bhainsal. Having been acquitted in the said criminal case it can safely held that he is none else than Gourang Charan Sa. As such the findings in the departmental proceeding was not good and the punishment of dismissal inflicted on the workman was shockingly disproportionate. Hence, having been acquitted in the said criminal case, his discharge from service will automatically can be said illegal and unjustified and the same is not tenable in the eye of law and such order of discharge cannot be held good when the disputant is honourably acquitted in the criminal case.

6. Indisputedly, there is no period of limitation within which an industrial dispute is to be raised. Further, it cannot be over-looked that the disputant had preferred a Writ before the Hon'ble High Court challenging his discharge and the said writ having been disposed off in the year 2012 it cannot be said that the disputant was totally in fault having raised the dispute belatedly. As per the claim statement the disputant has not asked for his reinstatement with full back wages. He has merely prayed for service benefit which is usually extended to an employee taking V.R.S. Having regard to the finding made above and the prayers put-forth by the disputant workman it is felt just and proper to direct the 1st Party-Management to treat the period of suspension as duty and the disputant be extended all service benefits as if he was continuing in service till the date of his discharge and such discharge shall be treated as V.R.S. accepted by the disputant from that date i.e. 20.3.2002. Subsistence allowance and compensation, if any, paid to him, shall be adjusted from the V.R.S. benefits to which the disputant is entitled to.

7. Hence ordered. The order of removal/dismissal passed by the Senior Manager Mines, Sargipali Mines of Hindustan Zinc Limited against the disputant workman does not hold good after acquittal of the workman by the Hon'ble S.D.J.M., Sundargarh, in the criminal case. As per his own prayer the workman is entitled to all V.R.S. benefits as if he continued in service till the date of his alleged discharge. Any amount paid to the workman towards subsistence allowance and gratuity are to be adjusted from the V.R.S. benefit. The entitlement of the workman shall be cleared of within three months from the date of publication of this award failing which the disputant workman is entitled to receive interest at the rate of 8% on the benefit amount.

8. The reference is answered exparte accordingly.

1. This Industrial Dispute between workman Khayrul Anam Laskar, since deceased and the Management of Indian Oil Corporation Limited (AOD) was referred by the appropriate Government vide Notification dated 27.08.2013 with the schedule as stated below:

SCHEDULE

“Whether the action of the management of Indian Oil Corporation Limited (Assam oil division) Digboi Refinery, P.O. Digboi-786171, Dist. Tinsukia, Assam in dismissing the services w.e.f. 25.02.2009 as well as refusal to reinstate the service of Shri Khayrul Anam Laskar is justified? If not, what relief and with what terms Shri K.A. Laskar is entitled to?”

2. After receipt of the reference, notices were issued to both the parties. They appeared and submitted their respective written statements. The workman in his claim statement briefly narrated his career in Indian Oil Corporation starting from 1991 and also described how he was promoted several times. On 20.12.2004 the workman joined at Dharmanagar Depot of IOCL where his primary duties were to prepare list of tank trucks for daily carrying of oil from depot, issuing slips for movement of tankers to and from depot, occasional taking dip of the tank trucks and tanks, checking density and temperature of the products, dip posting at SAP, unloading of railway wagons etc. On 20.05.2005 Senior Manager (Operation) of IOCL came to Dharmanagar and called the him and enquired about the workings of Dharmanagar Depot including the grievances of the workmen. He then told his grievances against the Depot Manager Shri P.C.Das at the relevant time and also stated that Sri P.C. Das was involved in various irregularities. Meanwhile, Sri P.C. Das was transferred. At the time of his (P. C. Das) handing over of charge to the new incumbent on 21.5.2005 abnormal shortage of stock was detected and a fact finding Committee was constituted for ascertaining the reasons and circumstances leading to the abnormal shortage. The Committee conducted the enquiry on 27.05.2005 and 28.05.2005 and the statement of the workman as well as Sri P.C.Das were recorded. The workman stated as to how at the instance of the Depot Manager Sri P.C.Das the alleged shortage of stocks took place and how the records were manipulated to cover up the alleged shortage. An enquiry was initiated against Sri P.C.Das wherein he categorically admitted his guilt in connection with the shortage of stock and at the conclusion of the

proceeding Sri P.C.Das was held responsible for such shortage of stocks of three products namely MS, SKO and HSD. Based on the findings of the fact finding committee, disciplinary proceeding was instituted against Sri P.C.Das and subsequently his misconduct was proved and he was dismissed from service. The workman stated that he was targeted for disclosing certain truths before the enquiry committee and his action was one of a whistle blower but ultimately the authority issued a charge sheet against him on 05.10.2007 on the same charges which were already conclusively proved against Sri P.C.Das. On 29.10.2007 the workman submitted written reply to the show cause-cum-charge sheet dated 05.10.2007 denying all the allegations but the management not being satisfied with his reply initiated a Departmental Proceeding against him and appointed Sri C. S. Chakraborty as Enquiry Officer and Sri Sukumar Roy as Presenting Officer. The Domestic Enquiry was conducted between 01.05.2008 and 17.05.2008. In this connection the workman also stated that vide his letter dated 30.04.2008 he made a prayer to the Chief Manager (OPS) to change the Enquiry Officer and the Presenting Officer in the interest of justice but his prayer was not allowed. During the domestic enquiry against the workman the Presenting Officer all total examined 7 witnesses on behalf of the management and according to the workman the witnesses deposed that they carried out their duties under instruction from the then Depot Manager Sri P.C.Das and it was nowhere revealed in the enquiry that any irregularity or misdeed was carried out as per instruction of the workman. Meanwhile few employees of Dharmanagar Depot lodged a complaint dated 13.03.2008 by bringing some baseless and frivolous allegations against him. During the pendency of the aforesaid disciplinary proceeding, the management issued another charge sheet dated 07.05.2008 on the basis of the complaint dated 13.03.2008. Vide charge sheet dated 07.05.2008 it was alleged that on 08.03.2008 the concerned workman unauthorizedly caused loss of 7.4 KL of MS valued at Rs.3.17 lakhs. The allegation was that the workman extracted or caused extraction of 7.4 KL of Petrol from Tank No.11 and in order to make up this resulting shortage, the workman transferred 4.52 KL Kerosene Oil from Tank No.13 to Tank No.11. Samples from the respective Tanks were taken in absence of the workman in connection with the allegations of 08.03.2008 and F.I.R. was also lodged against the workman in Dharmanagar Police Station and ultimately a criminal case u/s 380/408 I.P.C was also initiated against him. The workman stated that the allegation leveled against him as per second charge sheet dated 07.05.2008 was false, baseless and fabricated. According to the workman the proceeding continued and on the basis of untenable statements of a few management witnesses, the Enquiry Officer submitted report holding him guilty. It was also stated that vide order dated 12.10.2012 Learned S.D.J.M, Dharmanagar acquitted the workman in the criminal case being No. G.R. Case No.108/08. The workman submitted his reply to the second charge sheet on 22.05.2008 denying all the allegations but the management having not been satisfied with the reply of the workman initiated the second Departmental Proceeding and as such the second domestic enquiry was also conducted between 15.07.2008 and 26.08.2008. It was further stated that prior to the second charge sheet and the domestic enquiry, the then Operation Officer Mr. B.R.Gupta along with other officers forced the workman to write a confessional letter dated 21.03.2008 at 9.30 P.M. at the residence of the then Operation Officer so as to use the same against him. It was specifically stated that conclusion in the first charge sheet was arrived at completely by overlooking the fact that the Sri P.C.Das was already held guilty on the said charges. Thereafter vide enquiry report dated 31.10.2008 the Enquiry Officer held the workman guilty of all the charges contained in the second charge sheet dated 07.05.2008. According to the workman the domestic enquiries proceeded in gross violation of principles of natural justice. When the response of the workman was sought on the aforesaid two enquiry reports the workman rebutted the contention of the enquiry report dated 08.07.2008 and 31.10.2008 and thereafter vide single order dated 25.02.2009 Dy. General Manager (ZS), disposed of both the enquiry reports and awarded major penalty of dismissal from the service with immediate effect. Thereafter the workman filed appeal before Senior Employees Relations Manager on 06.03.2009 praying for his reinstatement. While the aforesaid appeal was pending the workman filed an application before the Assistant Labour Commissioner on 28.10.2011 for reinstatement in service with consequential benefits. Meanwhile the appeal was also dismissed on 31.01.2012 and the management stated to Assistant Labour Commissioner (C) that there was no scope for review of the punishment awarded upon the workman. The conciliation, therefore, failed and a "failure report" was sent by the Assistant Labour Commissioner(C) to the Government of India and the appropriate Government referred this matter before this Tribunal for adjudication. According to the workman, in both the Departmental Enquiries the management proceeded completely mechanically totally ignoring the basic principles of natural justice and illegally and wrongfully dismissed him from service. He prayed for his reinstatement with all consequential benefits. It may be mentioned here that after unfortunate death of the workman, his legal heirs were brought on record on the basis of their application to which the management had no objection.

3. By submitting written statement the management of I.O.C.L. (AOD) denied all the allegations raised by the workman. According to the management the reference was itself stale in as much as it was referred vide notification dated 27.8.2013 though the workman was dismissed on 25.02.2009. It was also stated that whereas the workman was dismissed from service in the year 2009, he took the matter to the Labour Commissioner in the year 2011. In the W.S. the management also narrated about the two departmental enquiries against the workman and stated that the workman was found guilty of gross misconduct in both the domestic enquiries and in view of the very grave nature of the charges he was dismissed from service. It was also stated that the Motor Spirit was adulterated by transfer of Kerosene Oil into the tank of MS in order to make good the shortage of stock. It was also stated that during both the domestic enquiries

the witnesses were duly examined and the workman was given full opportunity to defend himself and he had also duly cross-examined all the witnesses. According to the management there was absolutely no question of violation of principles of natural justice. It was also stated that after the submission of the enquiry report by the Enquiry Officer the management forwarded the enquiry report to the workman vide letter dated 25.11.2008 for filing his representation, if any. Immediately thereafter the workman preferred a Writ petition before the Hon'ble Gauhati High Court for stay of the further proceeding in the Departmental Proceeding. The said writ petition was registered as W.P.(C) No. 54/2009. The Hon'ble High Court however, dismissed the said Writ Petition directing the workman to submit his response to the report of the enquiry officer and only after the order of Hon'ble Gauhati High Court, the workman submitted his representation against the findings of the enquiry officer on 13.01.2009. After receipt of the representation of the workman against the findings of the enquiry officer in both the enquiries, the management considered the responses as well as findings of the domestic enquiries and having found the workman guilty of very gross misconduct awarded the punishment of dismissal from service. While concluding the written statement the management also stated that a preliminary issue be framed regarding fairness of the domestic enquiry and such preliminary issue be decided first and if this issue is decided against the management, the management may be allowed to contest the reference on merit.

4. The management also filed a petition No.105/14 dated 25.02.2014 along with prayer for framing of preliminary issue on the ground of the maintainability of the proceeding. Workman side submitted their objection to the aforesaid petition. This issue was taken up in Misc. Case No.06 of 2014 and vide order dated 09.05.2014 my learned Predecessor allowed the petition filed by the management and framed the following preliminary issue :

“Whether the domestic enquiries conducted by the management of I.O.C.L (AOD), Digboi against the O.P./Workman namely Md. Khayrul Anam Laskar on the charge-sheet dated 05.10.2007 and another charge-sheet dated 07.05.2008 were fair and in compliance of the principles of natural justice?”

5. On 23.11.2015 the workman Khayrul Anam Laskar submitted his evidence-in-Affidavit with a copy of the same to the management side. However before his cross-examination by the management, he unfortunately expired.

6. Management side examined 3 witnesses namely Sri Chandra Sekhar Chakrabarty (M.W.1), Sri George Ishorary (MW.2) and Sri Ripun Chandra Barthakur (MW.3). All the three witnesses were duly cross-examined by the workman side.

7. During argument the management side submitted that 2 domestic enquires were initiated against the workman Khairul Anam Laskar on very serious charges of gross misconduct and on both the proceedings he was found guilty and considering the nature of his misconduct, punishment of dismissal from service was awarded upon him which was just and proper. It was also submitted that the workman was given full opportunity for preparing his defence during the proceeding of both the domestic enquiries. He was given adequate opportunities to cross-examine the management witnesses and all the witnesses were duly cross-examined by him. He also examined his witness. There was absolutely nothing on record to show that principle of natural justice was violated during the proceedings of the domestic enquiries referred to above. It was also submitted that the concerned workman was involved in adulteration of Motor spirit at the depot of the Oil India Ltd. by Kerosene Oil and the said action of the workman was duly proved during the domestic enquiry. Domestic enquiry No.1 was initiated on 05/10/2007, wherein the following charges were brought against the workman.

- * *“That while you were on duty at Dharmanagar Depot on 08.05.05, approx. 41.7 KL of SKD received from railway wagon No.SR 39398 was unloaded in MS tank Nos 9,10,11 & 12 under your supervision, which caused adulteration of MS in the said tanks.*
- * *TT No. AS-01J-5651 carrying HSD was unloaded on 10.5.05 under your supervision and you acknowledged and signed receipt of full 12 KL HSD through there was a shortage of 36 ltrs. of HSD in Chamber No.1 and 3 while Chamber No.2 was empty and all the seals were not intact.*
- * *You signed challan No.000558 dtd 30.04.05 for 12 KL of SKO along with receipt of DD for full product value against TT No. TRL-4098 in the name of M/s. Chandan Majumder, Kalyanpur without actually dispatching the product from the depot. Being the Depot Supervisor, it was your responsibility to ensure product dispatch against the DD.*
- * *Similarly, you signed another challan No.000559 dtd. 30.04.05 for 12 KL of SKO along with receipt of DD for full product value against TT No. AS-01V-0375 in the name of M/s South Petroleum Agency, Sabroom without actually dispatching the product from the Depot. Being the Depot Supervisor, it was your responsibility to ensure product dispatch against the DD.”*

8. Referring to the delay in initiation of the first domestic enquiry it was submitted by the learned Sr. Counsel for the management that on the same matter earlier one Officer of Oil India Limited Mr. P.C. Das was found guilty and was dismissed from service and during that domestic enquiry against Sri P.C.Das the management came to know about

the involvement of the concerned workman K.A.Laskar in the said incident. Referring to the statements of the witnesses by the concerned workman learned Sr. Counsel for the management submitted that even during the cross-examination of the management witnesses the concerned workman did not deny that adulteration of Motor Spirit was done in his presence though the order for this was given by Sri P.C.Das.

9. The second charge sheet dated 07.05.2008 against the workman was as follows:-

“On 08.03.2008 about 7.4KL of petrol (MS) was filled from MS Tank No.11 in to Tank Truck bearing registration No.AS-01J-4105 which arrived from TOP Betkuchi with invoice quantity of 12 KL MS vide Challan dated 05.03.2008 under your instruction and thereafter the same Tank Truck was diverted to M/s. S.K.Patroleum Agency vide Challan dated 08.03.2008 with 12 KL MS and the aforesaid act resulted in loss of 7.4 KL of MS valued at Rs.3.17 lakhs which was topped up to the said Tank Truck unauthorisedly by the workman without realizing the product value. While the workman received the Tank Truck and acknowledged the receipt of 12 KL MS against Challan dated 05.03.2008 although there was a short receipt of about 7.4 KL MS. On 09.03.2008, on Sunday, when no operation takes places in the depot for the period from 1 P.M to 2 P.M. the workman transferred about 4.52 KL of superior Kerosene Oil from TankNo.13 to MS Tank No.11 in order to make up the shortfall in MS Tank No.11. Such willful contamination of entire products unauthorisedly resultant loss to the tune of Rs.41.20 lakhs of the Company.”

10. It was argued that there was absolutely no delay in initiating the second domestic enquiry and the management was prompt to issue the show cause-cum-charge-sheet to the concerned workman as soon as they came to know about the misdeed and misconduct of the concerned workman. It was also stated that in this enquiry also the workman was given full opportunity to defend himself. He cross-examined the management witnesses and also examined his own witness. Referring to the trend of cross-examination of the management witnesses by the by the concerned workman it was submitted that there was no denial of the fact that there was illegal unloading of Motor Spirit from the tank of Motor Spirit and Kerosene Oil was mixed with the MS to cover up the shortage. The concerned workman during cross-examination of MW.1 in Departmental Enquiry No.1 asked the witness as to whether during unloading operation the concerned workman was all through present or not. In reply to the aforesaid question the management witness replied that though he did not remember the exact duration of time taken for unloading and subsequent action but he clearly stated that Mr. Laskar i.e. the concerned workman was present during the entire operation till the end. Following rulings were relied upon by the management side. In **“Baljinder Pal Kaur vs State of Punjab & others” reported in (2016) 1 SCC 671, Hon’ble Supreme Court** held that acquittal in the criminal case does not automatically give the employee a right to be reinstated in service in as much as standard of proof in a criminal case is beyond all reasonable doubt but the standard of proof in a departmental proceeding is preponderance of probabilities. In **“Central Bank of India vs Karunamoy Banerjee” reported in AIR 1968 SC 266, Hon’ble Supreme Court** observed that the rules of natural justice will have to be observed in the conduct of a domestic enquiry against a workman. If the workman denies the allegations, the burden of proving the truth of the allegations will be on the management and the witnesses called by the management must be allowed to be cross-examined by the workman and he must also be given chance to examine himself and adduce other evidence that he might choose in support of his plea. In **“Management of BHEL vs M.Mani” reported in (2018) 1 SCC 285, Hon’ble Supreme Court** observed that criminal proceedings and departmental proceedings are two separate proceedings and that when domestic enquiry has been *“held independently of the criminal proceedings, acquittal in criminal court is of no avail”*. In **“Sanjay Kumar Singh vs Union of India” reported in (2011) 14 SCC 692, Hon’ble Supreme Court** held as under:- *“The role of the court in the matter of departmental proceedings is very limited and the court cannot substitute it’s own views or findings by replacing the findings arrived at by the authority on detailed appreciation of the evidence on record.”*

11. Learned counsel appearing for the workman side on the other hand, submitted that the charges which were brought against the workman in charge No.1 dated 05.10.2007 were absolutely same on which earlier an officer of the management Sri P.C.Das was dismissed from service and in that proceeding the present workman was cited as a witness of the management side. According to him in view of the above, the aforesaid domestic enquiry dated was absolutely bad and ought not to have been initiated against the concerned workman. By referring to the statements of the witnesses in the first domestic enquiry it was argued that the misconduct was committed on the direction of P.C.Das for which he lost his job. On the same charge one of the witnesses of the aforesaid domestic enquiry could not have been proceeded against later on. In regard to the second domestic enquiry (initiated vide charge sheet dated 07.05.2008) the learned counsel for the workman side submitted that the witnesses simply appeared and proved their earlier statements and even statements of two persons who were not even examined during the proceeding of domestic enquiry were also exhibited and considered while submitting the final enquiry report. According to him there was all out violation of the principles of natural justice in respect of this domestic enquiry. He also submitted that a criminal case which was filed against the concerned workman ended in acquittal and hence, on the same issue he ought not to have been held guilty in the domestic enquiry. In respect of the domestic enquiry No.1, the learned counsel appearing for the workman side submitted that there was inordinate delay in submission of the first charge-sheet. In this

connection he referred to the decision of **Hon'ble Supreme Court in "State of Punjab and others ----vrs--- Chamanlal Goyal", reported in (1995) 2 SCC 570** wherein the following was held:- *"Delayed initiation of proceedings is bound to give room for allegations of bias, mala fides and misuse of power. If the delay is too long and is unexplained, the court may well interfere and quash charges. But how long a delay is too long always depends upon the facts of the given case. Moreover, if such delay is likely to cause prejudice to the delinquent officer in defending himself, the enquiry has to be interdicted."* It was also submitted by the learned counsel for the workman side that the workman was denied the natural right of appeal because the appellate authority was subordinate to the Disciplinary Authority and hence, it was effective denial of the right of appeal and non compliance of the fundamental principle that there had to be scope for appeal if the findings of the domestic enquiry is against the delinquent employee. He further submitted that the concerned workman was not given proper chance to defend himself. According to him, the finding of the enquiry officer as well as the punishment meted out to the workman by his Disciplinary Authority was totally bad in law. He also referred to a decision of **Hon'ble Supreme Court reported in "Brij Bihari Singh vs Bihar State Financial Corporation" reported in (2015) 17 SCC 541** wherein it was held that rules of natural justice *"are required to be observed to ensure not only that justice is done but is manifestly seen to be done"*.

11. Let me now examine and consider the materials on record to decide as to whether the domestic enquiries against the workman were conducted with fairness and in compliance of the principles of natural justice.

12. The witnesses of the management, in their examinations-in-chief briefly described the charges against the workman and also stated as to how the domestic enquiries were conducted and he was found guilty of gross misconduct. They also stated that adequate opportunities were provided to the workman to defend himself and he was also allowed to cross-examine the management witnesses during the domestic enquiries. It would be appropriate to mention here that since the workman unfortunately expired after submission of his examination-in-chief, he could not be cross-examined.

13. On perusal of the records of the proceeding of domestic enquiry No.1 on the basis of Charge Sheet dated 05.10.2007 it appeared that the management witnesses were duly cross-examined by the concerned workman. It also appeared that the chargesheet was duly served on the workman seeking his response. During proceeding of the aforesaid domestic enquiry he was afforded adequate opportunity to defend himself. He cross-examined the witnesses produced by the management side and also adduced evidence on his behalf. Let me briefly deal with some of the evidence adduced during the above domestic enquiry. Sri S.K.Sinha (C.W.1) was produced as witness by the workman. A part of his evidence which was recorded in question answer form is quoted below. Herein under, "CW" means the witness produced by the Charge-sheeted employee and "CE" means the Charge-sheeted employee.

"CW-1 to CE: My name is S.K.Sinha. I worked as Security Supervisor of Dharmanagar Depot of IOC Ltd (AOD) during Feb'2002 to April'2006. During my posting at Dharmanagar, I resided nearby the depot.

CE to CW-1: On 30.4.2005, two SKO challans were prepared against which there was no physical dispatch, Was it known to you?

CW-1 to CE: Yes there were two SKO challan against which no TTs went out of the depot.

CE to CW-1: Who ordered you to record these challans?

CW-1 to CE: I was ordered by then DM(OPS), Sri P.C.Das, in presence of you. Of course, I asked both Sri P. C. Das and K. A. Laskar, as to why this false entry was being made. In reply I was told that these TTs will be dispatched within a day or two and this is being done only for making some adjustments. When I asked K.A.Laskar, he told that since Sri P.C.Das, has ordered you and he being the in-charge of the location, I should follow his order." The above quoted statement was given by the witness who was produced by the workman as his witness. A close look at the statement would reveal that there was clear complicity of the workman in the aforementioned serious illegality and misconduct. The record of first domestic enquiry clearly revealed that the workman was provided with ample opportunity to defend himself and there was absolutely nothing on record even to remotely indicate that principles of natural justice were violated by the management. Another plea raised by the workman side was that on the same charge earlier one officer was held guilty and was dismissed from service. The management's answer was that during the enquiry against that officer it came to light that the concerned workman was also responsible for the gross misdeed and hence he was served a charge-sheet seeking his response. This was also the reason for delayed submission of statement of allegation/ charge-sheet. The fact that one officer was earlier held guilty of the same charge, could not be the only ground for holding the subsequent charge-sheet against another employee untenable. There was also question of delay. So far as delay was concerned Hon'ble Supreme Court in **"State of Punjab and others" (supra)** held that "how long delay is too long" would depend upon the facts and circumstances of each case. In the instant case delay was not intentional. Computing from the time of knowledge of the management about the involvement of the workman in the misdeed, there did not appear to be inordinate delay. That apart, no prejudice appeared to have been caused to the workman.

14. In regard to the domestic enquiry No.2 also the workman appeared to have been given ample opportunities to defend himself. He duly cross-examined the management witnesses and also examined witness on his behalf. It appeared from the evidence of the witnesses in the domestic enquiry No.2 that the charges brought against the workman stood proved even after thorough cross-examination of the management witnesses by the workman. It was absolutely clear from the materials on record of the aforesaid domestic enquiry that the workman was afforded with opportunity to cross-examine the witnesses. The enquiry officer also appeared to have arrived at a reasonably correct conclusion on the basis of the evidence. Referring to the plea taken by the workman side in respect of proving earlier statements of some witnesses regarding the complaint against the concerned workman, learned Sr. Counsel for the management submitted that all those witnesses except witness No.2, exhibited their earlier statements during the proceeding of the domestic enquiry and the concerned workman had ample opportunities to go through those exhibits/earlier statements and to cross-examine those witnesses. By referring to the records of the proceeding of the second domestic enquiry learned Sr. Counsel submitted that factually also it was fully proved that the concerned workman directed his subordinates to transfer K.Oil to the tank of Motor Spirit to cover the shortage. He also submitted that the workman was also found guilty of issuing delivery challans of petroleum products though there was no physical delivery of products outside the depot. All those things happened fully in presence and under active presence and instructions of the concerned workman. While concluding his argument the Learned Sr. Counsel for the management side submitted that acquittal in a criminal case could not lead to automatic relief from the domestic enquiry. In **“Baljinder Pal Kaur” (supra) Hon’ble Supreme Court held** that acquittal in the criminal case does not automatically give the employee a right to be reinstated in service in as much as standard of proof in a criminal case is beyond all reasonable doubt but the standard of proof in a departmental proceeding is preponderance of probabilities. Learned Sr. Counsel for the management also submitted that there was no violation of principles of natural justice in the entire process of the domestic enquiries. He further submitted that nature of misconduct was such that only just punishment could be dismissal from service.

15. During cross-examination M.W. No.1 (enquiry officer) stated that he conducted the domestic enquiry on the basis of the Certified Standing Order of the Company (Ext-A) as it was applicable in the instant case. He stated that he issued notice to the Presenting Officer as well as the charge-sheeted employee to explain their points of view by producing evidence, documents etc. He also stated that statements of the witnesses of both the parties were recorded. He also admitted that although he did not specifically mention the word “mala fide” in his report in regard to conduct of the workman, the statements of the management witnesses clearly disclosed that the workman acted mala fide. It was clear from his evidence that the workman cross-examined the management witnesses and also examined his own witness. He also admitted that Sri P. C. Das, Dy Manager as well as the in-charge of the Depot was dismissed on the similar charges and that the workman acted in collusion with him. He denied the suggestion that he conducted the enquiry in violation of principles of natural justice. From the evidence of M.W. No.2 it appeared that the second domestic enquiry was initiated against the workman on the basis of a preliminary investigation done after receipt of complaint from some employees of the depot against the workman. In his cross-examination he stated that the workman appealed against the order of punishment to the Senior E.R Manager who was junior in rank to the disciplinary authority who ordered the dismissal of the workman. He also stated that the workman was afforded the opportunity to submit his representation against the findings of the Enquiry Officer in both the enquiries held against him.

16. On perusal of the materials available on record it did not appear that there was any violation of principles of natural justice. The workman was given full opportunity to defend himself. He cross-examined the management witnesses during the domestic enquiries and also adduced evidence from his side. Mere fact that the appellate authority was junior in rank to the disciplinary authority would not mean that he was directly sub-ordinate to him and was also influenced, to the detriment of the workman, to reject the appeal of the workman mechanically. There was absolutely no material on records to show that the appellate authority did not apply his mind independently. There was, therefore, no substantial denial of the right of appeal. There also appeared no circumstances to show or suggest that the workman was prejudiced.

17. One more point raised by the workman side was that earlier statements of two witnesses, who were not examined during the second domestic enquiry, were also brought on record and were considered by the Enquiry Officer in reaching conclusion. On examination of the record of the said domestic enquiry it appeared that even if those statements were not considered, the remaining evidence on record was enough to arrive at the same conclusion that the Enquiry Officer had arrived. In the domestic enquiries the workman was found guilty of gross misconduct and there was absolutely no occasion of violation of principles of natural justice in conduct of the domestic enquiries. The workman was given full opportunity to defend himself in each and every stage.

18. Last point required to be examined is whether the punishment of dismissal from service was too harsh vis-a-vis the charges proved. The workman was found guilty of causing unlawful manipulation of stock of the petroleum products in the depot. In his presence and under direct instructions the shortage of Motor Spirit (Petrol) was made good

by adulterating the Motor Spirit with K.Oil. Such adulteration, apart from causing loss to the Company, was also potentially dangerous for the end consumers of the Motor Spirit. In the context of the charges which were found to be proved against the workman, the punishment of dismissal from service did not appear to be harsh.

19. In view of the above it is held that the domestic enquiries conducted by the management of IOCL (AOD) against the workman were fair and in compliance of the principles of natural justice and the punishment of dismissal from service was reasonably justified. As a result the workman is not entitled to any relief. This reference, therefore, stands disposed of with a no relief Award.

Given under the hand and seal of this Tribunal on this 4th day of July, 2018.

AWARD

In the present case, a reference was received from the appropriate Government vide letter No.L-15011/1/2017-IR(M) dated 25.05.2017 under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Act, for adjudication of a dispute, terms of which are as under:

“Whether the termination of Shri Anjani Shrivastava and 15 Others (as per enclosed) has taken place during the pendency of conciliation proceedings or not? If yes , what relief may be given to the workmen concerned?”

2. In the reference order, the appropriate Government commanded the party/ies raising the dispute to file statement of claim, complete with relevant documents, list of reliance and witnesses with this Tribunal within 15 days of receipt

of the reference order and to forward a copy of such statement of claim to the opposite parties involved in the dispute. Despite directions so given, Claimants opted not to file his claim statement with the Tribunal.

3. On receipt of the above reference, notice was sent to the claimants as well as the management. Neither the postal article sent to the claimant, referred above, was received back nor was it observed by the Tribunal that postal services remained affected during the period, referred above. Therefore, every presumption lies in favour of the fact that the above notice was served upon the claimant. Despite service of the notice, claimants opted to abstain away from the proceedings. No claim statement was filed on their behalf. Thus, it is clear that the claimants are not interested in adjudication of the reference on merits.

4. Since the claimants have neither put appearance nor have they led any evidence so as to prove their cause against the management, as such, this Tribunal is left with no choice, except to pass a 'No Dispute/Claim' award. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

भारत सरकार के श्रम विभाग की अधिसूचना क्रमांक L-17012/22/2015-IR{M}New Delhi दिनांक 24.08.2015 तथा संशोधित अधिसूचना दिनांक 05.08.2016 के द्वारा निम्नांकित विवाद इस न्यायालय को अधिनिर्णयार्थ प्रेषित किया गया —

“क्या प्रबन्धन श्रीमान् वरिष्ठ मण्डल प्रबन्धक, भारतीय जीवन बीमा निगम मण्डल कार्यालय, रेती स्टेण्ड, उदयपुर-313001 (राजस्थान) एवं श्रीमान् शाखा प्रबन्धक, भारतीय जीवन बीमा निगम, सुखाडिया नगर, नाथद्वारा, राजसमन्द (राजस्थान) द्वारा कर्मकार श्री संग्रामसिंह पुत्र चतरसिंह राव को दिनांक 16.11.2012 से सेवा से पृथक करने की कार्यवाही वैधानिक एवं न्याय संगत है, यदि नहीं, तो प्रार्थी किस राहत का और कब से पाने का हकदार है ?”

उक्त आशय का प्रसंग प्राप्त होने पर न्यायालय द्वारा प्रकरण दर्ज रजिस्टर किया गया एवं सम्बन्धित पक्षकारान को नोटिस जारी किये गये। जिस पर प्रार्थी की और से क्लेम व विपक्षी की और से जबाब पेश किया गया।

प्रार्थी द्वारा प्रस्तुत क्लेम के तथ्य संक्षेप में इस प्रकार है कि—विपक्षी संख्या 2 ने अपने अधीनस्थ कार्यालय, नाथद्वारा में चतुर्थ श्रेणी कर्मचारी के स्वीकृत व रिक्त पद पर नियोजन कार्यालय, राजसमन्द के माध्यम से दिनांक 30.11.04 के जरिये नाम आमंत्रित कर उसमें से प्रार्थी को अस्थायी तौर पर 85 दिवस हेतु योग्य पाते हुए नियुक्त किया तथा समय-समय पर प्रार्थी की सेवा अवधि बढ़ाई जाती रही। इस प्रकार प्रार्थी वर्ष 2004 से दिनांक 15.11.2012 तक विपक्षी कार्यालय में कार्यरत रहा। प्रार्थी ने निगम के अधिकारी ने अपना निजी व घरेलु कार्य कराया तथा जब कार्यालय व घरेलु दोनों स्थल पर कार्य की अधिकता होने व निर्धारित समय से अधिक समय तक कार्यालय के कार्य में व्यस्त रहने से प्रार्थी तत्कालिन शाखा प्रबन्धक के घर पर कार्य नहीं कर सका जिससे वे नाराज रहने लगे और प्रार्थी को येन-केन-प्रकारेण परेशान कर दिनांक 16.11.2012 को सेवा से पृथक कर दिया तथा प्रार्थी को चतुर्थ श्रेणी कर्मचारी के पद पर स्थायी नहीं किया तथा प्रार्थी से फोटो स्टेट कार्य, ट्रान्सपोर्ट से सामान लाने का कार्य कराया तथा प्रार्थी ने EDMS का सारा कार्य नवम्बर, 2009 से अगस्त, 2010 तक किया। प्रार्थी ने बीमा प्रपोजल फार्म का इन्चर्ड कार्य स्वयं की हस्तलिपि में किया। सर्वोच्च न्यायालय द्वारा जारी निर्देशों की पालना में विपक्षी/निगम में 5 वर्ष या उससे अधिक अवधि में कार्यरत चतुर्थ श्रेणी कर्मचारी को जो अस्थायी तौर पर कार्य कर रहे थे, को स्थाईकरण हेतु आवेदन पत्र आमंत्रित किये थे जिसकी पालना में प्रार्थी ने भी आवेदन निगम में प्रस्तुत किया व समय-समय पर मौखिक रूप से निवेदन भी किया था, लेकिन उसके बावजूद बिना किसी सूचना एवं सुनवाई का अवसर दिये प्रार्थी को सेवा पृथक कर दिया। प्रार्थी वांछित योग्यता रखता था तथा 5 वर्ष से अधिक अवधि तक कार्यरत रहा, जिस हेतु अच्छे कार्य व व्यवहार के लिये उसे सम्मानित भी किया गया, लेकिन इनके बावजूद भी प्रार्थी को स्थायी नहीं किया। विपक्षी के अधीन कई कार्यालय हैं जिनमें चतुर्थ श्रेणी कर्मचारी के पद स्वीकृत हैं और आज भी कई पद रिक्त हैं। प्रार्थी ने सूचना के अधिकार के तहत विपक्षी से सूचनाएं व दस्तावेज मांगे, लेकिन विपक्षी ने सूचना व दस्तावेज उपलब्ध नहीं कराये। प्रार्थी को जलील व परेशान करने की नियत से व चतुर्थ श्रेणी कर्मचारी के पद पर स्थायी नहीं किये जाने के दुराशय से, सुनवाई का अवसर दिये बिना अवैध तरीके से अन्य कनिष्ठ व्यक्तियों/नये लोगों को कार्य पर रखा। प्रार्थी ने अपने कार्य अवधि के दौरान प्रत्येक वर्ष में 240 दिन से अधिक कार्य दिवसों पर उपस्थित होकर अपनी सेवाएं प्रदान की। विपक्षी ने प्रार्थी को कई पे-आर्डर के जरिये वेतन भी भुगतान किया तथा शाखा प्रबन्धक, नाथद्वारा ने प्रबन्धक कार्मिक उदयपुर को भी पत्र दिनांक 10.09.10 प्रेषित कर प्रार्थी को उक्त पद पर नियुक्त करने का निवेदन किया जिसमें यह अंकित किया कि इसे उच्च प्राथमिकता दें। शाखा सचिव, नॉर्थन जोन इन्ड्योरेन्स एम्प्लोई एसोसियेशन उदयपुर संभाग ने भी सचिव मण्डल समिति को भेजे पत्र दिनांक 21.03.11 में भी प्रार्थी को नाथद्वारा शाखा में अस्थाई कर्मचारियों के सम्बन्ध में सूचना प्रेषित की थी। विपक्षी ने प्रार्थी के स्थाईकरण नहीं होने देने के लिये प्रार्थी के अतिरिक्त अन्य नामों से बाउचर्स तैयार करवा लिये, लेकिन भुगतान प्रार्थी को ही किया जाता था, उन बाउचर्स में अंकित व्यक्ति उन पते पर नहीं रहते हैं। प्रार्थी की उम्र 35 वर्ष से अधिक हो गई है इसलिये उसे किसी सरकारी या अर्द्धसरकारी संस्थान में नौकरी नहीं मिल सकती है। इसलिये सेवा पृथक आदेश को अनुचित व अवैध घोषित किये जाने के साथ ही प्रार्थी को सेवा में सभी लाभों सहित सेवा में बहाल कराये जाने की प्रार्थना की है।

विपक्षी ने अपने जबाब में यह अंकित किया है कि निगम के क्षेत्रीय प्रबन्धक तथा वरिष्ठ प्रबन्धक को आकस्मिक श्रमिक तथा सीमित अवधि के लिये अस्थाई तदर्थ कर्मकार नियुक्त करने का अधिकार है। प्रार्थी को रोजगार कार्यालय के माध्यम से 85 दिनों के लिये काम पर रखा था, प्रार्थी के इस कथन को असत्य बताया कि उसने वर्ष 2004 से

15.11.2012 तक निरन्तर नाथद्वारा कार्यालय में कार्य किया हो । प्रार्थी ने 85 दिन की अवधि पूरी होने के बाद आकस्मिक श्रमिक के रूप में कार्य किया। प्रार्थी ने वर्ष 2010-11 के वित्तीय वर्ष में रोजगार कार्यालय से तदर्थ में अस्थायी चपरासी पद के पद पर 85 दिनों के लिये रखे गये श्रमिकों में अपना नाम अन्य पिछड़ा वर्ग में दर्शाते हुए इस आशय का मिथ्या घोषणा पत्र दिनांक 15.11.2010 को पेश किया उसने पूर्व में कभी भी मण्डल के किसी भी कार्यालय में अस्थायी रूप से कार्य नहीं किया। प्रार्थी से किसी भी शाखा प्रबन्धक के घर के कार्य नहीं कराये गये । प्रार्थी ने माननीय सर्वोच्च न्यायालय द्वारा पारित निर्णय के तहत आवेदन पत्र प्रस्तुत किया था, लेकिन समिति द्वारा 5 वर्ष का अनुभव नहीं होने के कारण इस पद के लिये उसे पात्र नहीं माना गया । अक्टूबर, 2005 से फरवरी, 2011 तक की अवधि के अन्तर्गत प्रार्थी के अतिरिक्त बंशीलाल, सुशील, लक्ष्मणलाल आदि व्यक्तियों को 85 दिन के लिये अस्थायी चपरासी पद पर नियुक्ति दी गई थी। प्रार्थी के कथन सरासर झूठे हैं कि उसने 5 वर्ष तक कार्य किया । प्रार्थी द्वारा सूचना के अधिकार के तहत सूचनाएं मांगी गई जो उसे दी गई । प्रार्थी द्वारा कनिष्ठ या नये लोगों को स्थायी नियुक्ति प्रदान किये जाने के जो कथन किये हैं वे मिथ्या व भ्रामक हैं। प्रार्थी ने जबरन स्वयं को स्थायी नियुक्ति में लेने के लिये अनर्गल आरोप लगाये हैं। प्रार्थी ने प्रत्येक कलेण्डर वर्ष में 240 दिन कार्य नहीं किया है। प्रार्थी को यह बता दिया गया था कि अस्थाई कर्मचारी भर्ती अनुदेश 1993 के तहत पूर्णतः अस्थायी तदर्थ भर्ती की गई जिससे उसकी स्थायी पद पर नियुक्ति नहीं हो सकती, प्रार्थी के इस कथन को गलत बताया कि वह निरन्तर सेवा में रहा हो तथा उसे मौखिक रूप से सेवा पृथक किया हो। प्रार्थी के मामले में नोटिस या नोटिस-पे आदि देने की आवश्यकता नहीं थी । इसलिये प्रार्थी का प्रार्थना पत्र खारिज किये जाने की प्रार्थना की ।

प्रार्थी ने अपने क्लेम के समर्थन में स्वयं का शपथ पत्र प्रस्तुत किया जिससे विपक्षी अधिवक्ता ने जिरह की एवं विपक्षी की ओर से अजय कुमार मिश्रा व मनोहरलाल गोदावत के शपथ पत्र प्रस्तुत हुए जिनसे प्रार्थी अधिवक्ता ने जिरह की । दोनों पक्षों की ओर से संबंधित दस्तावेज को प्रदर्शित कराया गया ।

उभय पक्षकारान की ओर से लिखित बहस पेश हुई तथा मौखिक बहस भी सुनी गई । पत्रावली का अवलोकन किया गया ।

अपनी लिखित बहस में प्रार्थी का तर्क है कि प्रार्थी की ओर से उपरोक्त विवाद के सम्बन्ध में प्रस्तुत प्रार्थना पत्र तथा साक्ष्य से यह साबित है कि प्रार्थी को विपक्षी संस्थान के नाथद्वारा ऑफिस में चतुर्थ श्रेणी कर्मचारी के स्वीकृत एवं रिक्त पद पर दिनांक 30.11.04 को 85 दिन के नियुक्त किया गया था तथा समय-समय पर प्रार्थी की सेवा अवधि 2004 से 15.11.2012 तक बढ़ाई जाती रही । तत्पश्चात् विपक्षी ने दुर्भावनावश प्रार्थी को दिनांक 16.11.2012 को मौखिक आदेश से सेवा से मुक्त कर दिया गया। प्रार्थी वर्ष 2004 से 15.11.2012 तक लगातार चतुर्थ श्रेणी कर्मचारी के पद पर अस्थायी रूप से विपक्षी के यहां कार्यरत रहा । इस दौरान वह चतुर्थ श्रेणी कर्मचारी का समस्त कार्य करता था, साथ ही विपक्षी ऑफिस में उसके द्वारा निगम अधिकारियों के निर्देशानुसार ट्रान्सपोर्ट से सामान लाने, कार्यालय का फोटो स्टेट कार्य कराने, डाकेट तैयार करने का कार्य करता था और अन्य लिखित कार्य भी उसके द्वारा कार्यालय में किया जाता था । इस प्रकार प्रार्थी ने प्रत्येक वर्ष में 240 दिन से अधिक उपस्थित होकर अपना कार्य किया । प्रार्थी द्वारा प्रदान की गई सेवाओं के बदले विपक्षी द्वारा उसे राशि भी भुगतान की गई, जिससे संबंधित दस्तावेज पत्रावली पर उपलब्ध हैं उसके द्वारा किये गये कार्य के सम्बन्ध में बाउचर के द्वारा भी उसे भुगतान किया गया है । इस प्रकार साक्ष्य से यह पूर्णतया साबित है कि विपक्षी द्वारा प्रार्थी को मौखिक आदेश द्वारा सेवा मुक्त किया जाना अवैध एवं शून्य घोषित किया जावे तथा प्रार्थी को सेवा में बहाल किया जावे तथा दिनांक 16.11.2012 से समस्त वेतन व अन्य लाभ प्रदान कराया जावे ।

उपरोक्त तर्कों का खण्डन करते हुए विद्वान अधिवक्ता विपक्षी ने यह तर्क दिया है कि प्रार्थी संग्रामसिंह द्वारा विपक्षी के कार्यालय में वर्ष 2004 से 15.11.2012 तक लगातार कार्य नहीं किया तथा किसी भी कलेण्डर वर्ष में 240 दिन या उससे अधिक काम नहीं किया । प्रार्थी को सर्वप्रथम दिनांक 19.10.2005 को 85 दिन के लिये अस्थायी रूप से नियुक्त किया गया तत्पश्चात् प्रार्थी ने विपक्षी के यहां दिनांक 15.11.10 से 07.02.11 तक 85 दिन अस्थायी रूप से कार्य किया । इस बाबत उसने मिथ्या घोषणा पत्र विपक्षी के कार्यालय में प्रस्तुत किया था । इसके अलावा वर्ष 2004 से 2012 के मध्य प्रार्थी ने विभिन्न अन्तराल में 108 दिन तक कार्य किया जिसका भुगतान विपक्षी द्वारा उसे कर दिया गया । इस प्रकार वर्ष 2004 से 15.11.12 तक प्रार्थी ने कुल 278 दिन विपक्षी के यहां कार्य किया था । किसी भी कलेण्डर वर्ष में 240 दिन या उससे अधिक कार्य नहीं किया । विपक्षी की ओर से प्रार्थी की वर्ष 2004 के बाद समय-समय पर चतुर्थ श्रेणी कर्मचारी की कार्य अवधि नहीं बढ़ायी गयी । यदि विपक्षी द्वारा उसके अस्थायी कर्मचारी के पद की अवधि बढ़ाई जाती तो अक्टूबर, 2011 को प्रार्थी विपक्षी के यहां साक्षात्कार के लिये रोजगार कार्यालय के माध्यम से अपना आवेदन नहीं भिजवाता । आगे अपने तर्कों में यह भी कहा है कि प्रार्थी को विपक्षी कार्यालय द्वारा अस्थायी श्रमिक की नियुक्ति बाबत बने हुए नियमों के तहत 85 दिन के लिये नियुक्त किया गया था तथा किसी भी कलेण्डर वर्ष में 240 दिन या उससे अधिक कार्य नहीं किया । विपक्षी कार्यालय में चतुर्थ श्रेणी कर्मचारी का कार्य उसने सम्पादित किया, अतः उसे नोटिस देकर सेवा से पृथक करने के लिये औ.वि. अधिनियम की धारा 25(F) की पालना करना आवश्यक नहीं था । साथ ही साक्ष्य से भी प्रार्थी यह साबित नहीं कर सका कि उसने वर्ष 2004 से

2012 तक चतुर्थ श्रेणी कर्मचारी के पद पर विपक्षी कार्यालय में नियमित कार्य किया हो । अतः प्रार्थी का क्लेम प्रार्थना पत्र खारिज किया जावे ।

उभय पक्षों द्वारा दिये गये तर्कों के आधार पर इस प्रकरण में श्रम विभाग से जो रेफरेन्स प्राप्त हुआ उन पर साक्ष्य का विश्लेषण एवं न्याय निष्कर्ष निम्न प्रकार है —

उपरोक्त विवाद के सम्बन्ध में प्रार्थी की ओर से प्रस्तुत प्रार्थना पत्र पर और उसके समर्थन में प्रार्थी की ओर से जो साक्ष्य प्रस्तुत की है, उसमें प्रार्थी संग्रामसिंह ने न्यायालय में दी गई अपनी साक्ष्य में शपथ पत्र में अपने प्रार्थना पत्र की पुनरावर्ति करते हुए यह प्रकट किया है कि भारतीय जीवन बीमा निगम कार्यालय नाथद्वारा में स्वीकृत चतुर्थ श्रेणी कर्मचारी के रिक्त पद पर उसे दिनांक 30.11.2004 को 85 दिन के लिये नियुक्त किया गया था । समय-समय पर उसकी सेवा अवधि वर्ष 2004 से 15.11.2012 तक विपक्षी द्वारा बढ़ाई जाती रही । इस दौरान वह नाथद्वारा कार्यालय में कार्यरत रहा तथा दुर्भावनावश उसे दिनांक 16.11.2012 को मौखिक आदेश से सेवा पृथक कर दिया गया ।

अपनी मौखिक साक्ष्य में संग्रामसिंह ने यह भी प्रकट किया कि सेवा अवधि के दौरान उसे विपक्षी निगम के अधिकारी अपना निजी घरेलू कार्य भी करवाते थे । जब कार्यालय एवं घरेलू दोनों कार्य में व्यस्त रहने पर जब शाखा प्रबन्धक के घर का कार्य नहीं कर सका तो दुर्भावनावश दिनांक 16.11.2012 को सेवा से पृथक कर दिया । आगे अपनी साक्ष्य में यह भी प्रकट किया कि नियुक्ति के दौरान वह विपक्षी कार्यालय के फोटो कोपी करवाने जाता था, ट्रान्सपोर्ट से सामान लाने जाता तथा उसने नवम्बर 2009 से अगस्त, 2010 तक का EDMS का कार्य भी किया था, उसने विपक्षी कार्यालय में डाकेट भी निकाले थे । आगे अपनी साक्ष्य में यह भी बताया है कि उसके द्वारा किये गये कार्य के सम्बन्ध में उसे वेतन का भुगतान ओरियन्टल बैंक आफ कॉमर्स शाखा नाथद्वारा के माध्यम से किया गया तथा मिसलनेयिस खर्च के बाउचर का भुगतान भी विपक्षी निगम ने उसे किया था ।

जिरह में इस गवाह ने यह स्वीकार किया है कि यह सही है कि प्रदर्श-1 के जरिये उसे 85 दिन के लिये अस्थायी चपरासी के पद हेतु साक्षात्कार के लिये बुलाया गया था तथा उक्त 85 दिन दिनांक 11.01.06 को पूरे हो गये थे । दिनांक 11.01.06 के बाद का कोई भी आदेश विपक्षी द्वारा नहीं दिया गया । आगे जिरह में यह भी बताया है कि 85 दिन की नियुक्ति के समय उसे चपरासी का पुरा वेतन दिया गया । उसे बाद में कभी 70/-रुपये, कभी 100/-रुपये, कभी 135/-रुपये, कभी 150/- रुपये प्रतिदिन के हिसाब से उसे भुगतान किया गया । इस गवाह द्वारा यह भी प्रकट किया गया कि ब्रान्च मैनेजर बाद वाला आवेदन लेते थे और काम करवाते थे तथा यह तथ्य भी स्वीकार करता है कि हाजरी रजिस्टर में उसकी हाजरी नहीं भरी जाती थी । कम्प्यूटर में उसकी हाजरी होती थी । वेतन रजिस्टर में उसके हस्ताक्षर नहीं होते थे । वह जब से नौकरी लगा तब से ऑफिस व घर का कार्य करता था । घर का कार्य करने बाबत उसने उच्च अधिकारियों को कोई शिकायत नहीं की । आगे जिरह में इसने यह भी स्वीकार किया है कि यह सही है कि 2004 से 2012 तक का उसके पास कोई नियुक्ति पत्र नहीं है ।

इसके विपरीत विपक्षी की ओर से साक्ष्य में अजय कुमार मिश्रा व मनोहरलाल गोदावत को प्रस्तुत किया गया है । अजय कुमार मिश्रा ने न्यायालय में दिये गये अपने शपथ पत्र में यह प्रकट किया है कि नाथद्वारा शाखा में यह गवाह 11.05.2009 से 16.05.2011 तक कार्यरत रहा था तथा ब्रान्च मैनेजर के रूप में पद स्थापित रहा था । अपने शपथ पत्र में यह भी प्रकट किया है कि 15.11.10 से 07.02.11 तक 85 दिन के लिये प्रार्थी संग्रामसिंह को नाथद्वारा कार्यालय में अस्थायी चतुर्थ श्रेणी कर्मचारी के पद पर नियुक्ति दी गई थी । उक्त नियुक्ति देने से पूर्व प्रार्थी की ओर से निगम कार्यालय में यह मिथ्या घोषणा की गई थी कि उसने इससे पूर्व निगम के किसी भी कार्यालय में कभी अस्थायी चपरासी के पद पर कोई कार्य नहीं किया, जबकि उसके द्वारा पूर्व में भी वर्ष 2005 में अस्थायी चतुर्थ श्रेणी कर्मचारी के रूप में कार्य किया था । अपनी साक्ष्य में इस गवाह द्वारा यह भी बताया गया कि चतुर्थ श्रेणी कर्मचारी के जो कार्य होते हैं वे ही कार्य प्रार्थी ने अपने पद स्थापन के दौरान किया था । जिरह में इस गवाह ने यह प्रकट किया है कि मई 2009 से 16.05.11 तक जब तक वह नाथद्वारा शाखा में कार्यरत रहा उस दौरान चतुर्थ श्रेणी कर्मचारी के पद पर कोई स्थायी कर्मचारी नहीं था । मण्डल कार्यालय से 85 दिन के लिये चतुर्थ श्रेणी कर्मचारी की नियुक्ति दी जाती थी । 85 दिन की अवधि की नियुक्ति के लिये मण्डल कार्यालय से जो आदेश आते थे वो हमारे यहां इन्वर्ड होते थे । किन-किन लोगों की नियुक्ति हेतु इस दौरान मण्डल कार्यालय से नियुक्ति दी गई, आज वह सही रूप से नहीं बता सकता है । जिरह में इसने यह भी प्रकट किया है कि दिनांक 15.11.10 से 07.02.11 तक के मध्य की अवधि में प्रार्थी द्वारा कार्य करने का सही कथन दर्ज है । इसके अलावा प्रार्थी द्वारा यदि आकस्मिक श्रमिक के रूप में कार्य किया तो उसका उसे भुगतान किया गया है । आकस्मिक श्रमिक एक दिन के लिये शाखा प्रबन्धक रख सकता है, अधिक अवधि के लिये रखने हेतु मण्डल कार्यालय से अनुमति ली जाती है । जिरह में गवाह ने यह भी बताया कि वह यह नहीं बता सकता कि मई, 2011 में प्रार्थी को 26 दिन आकस्मिक श्रमिक के रूप में रखने के सम्बन्ध में शाखा पत्राचार व मण्डल स्वीकृति दस्तावेज कार्यालय में उपलब्ध है या नहीं ।

विपक्षी की ओर से दूसरा गवाह मनोहरलाल गोदावत ने अपने शपथ पत्र में यह प्रकट किया है कि प्रार्थी को विपक्षी निगम के यहां अस्थायी चतुर्थ श्रेणी कर्मचारी के रूप में दिनांक 19.10.2005 से 01.01.2006 तक 85 दिनों के

लिये नियुक्ति दी गई थी, जो 85 दिन पूर्ण होते ही स्वतः समाप्त हो गई थी। प्रार्थी ने मिथ्या सूचना देकर निगम को धोखे में रख कर 15.11.2010 से 07.02.2011 तक पुनः 85 दिन के लिये अस्थायी चपरासी के पद पर कार्य किया था उसके पश्चात् उसकी अस्थायी नियुक्ति स्वतः समाप्त हो गई थी। प्रार्थी 2004 से 2012 तक लगातार विपक्षी के नियोजन में नहीं था। दिनांक 19.10.2005 से 01.01.2006 तक 85 दिन के लिये तथा 15.11.2010 से 07.02.2011 तक 85 दिनों के अतिरिक्त उसे कोई नियुक्ति पत्र, वेतन आदि नहीं दिया गया। प्रार्थी ने कुल 59 दिन आकस्मिक श्रमिक के रूप में कार्य किया था जिसका उसने भुगतान प्राप्त कर लिया था। प्रार्थी की ओर से विपक्षी से 104 बाउचर तलब कराये गये थे, जिसमें से 30 बाउचर उक्त अवधि के थे, जिसमें प्रार्थी अस्थायी चपरासी के रूप में काम कर रहा था। चूंकि 5 वर्ष से अधिक अवधि का रेकार्ड नहीं रखा जाता है, अतः कम्प्यूटर से हार्ड कॉपी से निकाल कर बाउचर पेश किये हैं। जो बाउचर प्रार्थी को दिये गये मेहनताना, वेतन आदि का प्रमाण नहीं है, बल्कि किसी अन्य को दिये गये सामान की राशि के पेटे जारी किये गये हैं। अपने शपथ पत्र में यह भी प्रकट किया है कि निगम में बायोमेट्रिक हाजरी कम्प्यूटर से नहीं ली जाती थी।

जिरह में इस गवाह ने यह बताया है कि अस्थायी कर्मचारियों का हाजरी रजिस्टर नहीं होता है। अस्थायी कर्मचारी शाखा में उपस्थित है या नहीं इसका शाखा में कोई जिम्मेदार व्यक्ति रेकार्ड रखता है। शाखा में 2012 में अस्थायी कर्मचारियों की उपस्थिति कौन रखता था उसका नाम ध्यान नहीं होना बताया है। अपनी जिरह में इसने यह भी प्रकट किया है कि रेकार्ड के अनुसार प्रार्थी ने विपक्षी संस्थान में दिनांक 19.10.05 से 01.01.06 तक 85 दिनों के लिये तक तथा 15.11.10 से 07.02.11 तक 85 दिन नियुक्ति बाबत वेतन प्राप्त किया था। इसके अतिरिक्त उसने 2004 से 2012 तक निरन्तर कार्य नहीं किया था। उसने इस अवधि में 108 दिन अतिरिक्त कार्य किया था। इस प्रकार 2004 से 15.11.2012 तक प्रार्थी ने कुल 278 दिन ही कार्य किया था। उक्त 108 दिन का अतिरिक्त कार्य शाखा कार्यालय नाथद्वारा द्वारा अपने स्तर पर प्रार्थी से आकस्मिक रूप में कार्य लिया गया जिसका कोई नियुक्ति पत्र मण्डल कार्यालय से जारी नहीं हुआ था। शाखा में श्रमिक को आकस्मिक कार्य के लिये रख सकते हैं, लेकिन नियुक्ति पत्र जारी नहीं कर सकते हैं। आगे इसने जिरह में यह भी बताया कि 108 दिन का अतिरिक्त कार्य किया हो तो वह उसकी जानकारी में नहीं है। इस सम्बन्ध में शाखा में कोई रेकार्ड उपलब्ध नहीं है। जिरह में इस गवाह ने यह भी प्रकट किया कि प्रार्थी द्वारा तलब कराये गये बाउचर में केवल तारीख अंकित थी, बाउचर संख्या अंकित नहीं थी, उसे कम्प्यूटर से सर्च किया जाकर पेश करना संभव नहीं था, बाउचर नम्बर होना जरूरी था। निगम के द्वारा दीपावली पर कोई गिफ्ट वगैरा नहीं दिया जाता है।

इस प्रकार दोनों पक्षों की ओर से प्रस्तुत मौखिक एवं दस्तावेजी साक्ष्य से इस प्रकरण में यह स्वीकृत रूप से सामने आया है कि प्रार्थी को विपक्षी कार्यालय नाथद्वारा शाखा में दिनांक 19.10.05 से 11.01.06 तक कुल 85 दिन के लिये अस्थायी चतुर्थ श्रेणी कर्मचारी के पद पर नियुक्ति दी गई थी तथा इस हेतु विपक्षी कार्यालय द्वारा प्रदर्श-1 साक्षात्कार पत्र जारी किया गया था तथा विपक्षी कार्यालय द्वारा जारी आदेश प्रदर्श-2 द्वारा प्रार्थी की नियुक्ति चतुर्थ श्रेणी कर्मचारी के पद पर की गई थी। तत्पश्चात् प्रार्थी की ओर से रोजगार कार्यालय के माध्यम से विपक्षी निगम के यहां चतुर्थ श्रेणी कर्मचारी की अस्थायी नियुक्ति हेतु पुनः आवेदन प्रेषित कराया गया जिस पर विपक्षी मण्डल कार्यालय द्वारा प्रार्थी को अस्थायी चतुर्थ श्रेणी कर्मचारी के पद हेतु दिनांक 15.11.10 से 07.02.11 तक के लिये नियुक्ति किया गया। इस सम्बन्ध में प्रार्थी की ओर से प्रदर्श एन.ए.-1 कार्यक्रम रिपोर्ट पर स्वयं के हस्ताक्षर कर विपक्षी कार्यालय में प्रस्तुत किया है, जिसमें उसके द्वारा यह घोषणा की गई थी कि उसने इससे पूर्व निगम के किसी कार्यालय में अस्थायी पद पर कभी कार्य नहीं किया।

उक्त 85-85 दिन दोनों बार वर्ष 2005-2006 तथा 2010-2011 में किये गये कार्य के सम्बन्ध में है तथा इन नियुक्तियों को विपक्षी की ओर से स्वीकार किया गया है तथा इस संदर्भ में प्रार्थी द्वारा किये गये कार्य के बाबत प्रार्थी को वेतन का भुगतान भी विपक्षी कार्यालय द्वारा किया गया है, जिसमें वर्ष 2010-11 में 85 दिन कार्य हेतु किया गया भुगतान प्रदर्श-37 लगायत प्रदर्श-41 के द्वारा किया जाना प्रकट होता है।

उपरोक्त 85-85 दिन के अलावा वर्ष 2004 से 2012 के मध्य प्रार्थी द्वारा किये गये कार्य के सम्बन्ध में जो मौखिक एवं दस्तावेजी साक्ष्य इस प्रकरण में आई है, उसमें प्रार्थी की ओर से अपने प्रार्थना पत्र व साक्ष्य में यह तथ्य प्रकट किया है कि वर्ष 2004 से 16.11.2012 के मध्य उसने विपक्षी कार्यालय में लगातार कार्य किया था और 85 दिन के लिये जब प्रथम बार नियुक्ति किया गया था, उसके पश्चात् समय-समय पर सेवा अवधि दिनांक 15.11.2012 तक बढ़ाई जाती रही। लेकिन इस सम्बन्ध में यदि प्रार्थी की जिरह का अवलोकन करे तो उसने इस तथ्य को स्वीकार किया है कि 11.01.2006 को 85 दिन पूरे होने के पश्चात् उसके पास 11.01.06 के बाद कार्य करने का कोई आदेश विपक्षी द्वारा सेवा अवधि बढ़ाने बाबत नहीं है। इस सम्बन्ध में प्रार्थी का यह कथन है कि विपक्षी द्वारा 85 दिन के लिये नियुक्ति किया गया था। इस सम्बन्ध में उसका यह कथन है कि विपक्षी द्वारा 85 दिन का पूरा वेतन उसे दिया गया था, उसके बाद कभी 70/-रुपये, कभी 100/-रुपये, कभी 135/-रुपये व कभी 150/-रुपये प्रति दिन के हिसाब से उसे भुगतान करते थे। इसके विपरीत विपक्षी की ओर से प्रस्तुत गवाह मनोहरलाल गोदावत ने अपनी साक्ष्य में यह प्रकट किया है कि 85-85 दिनों के अलावा प्रार्थी को शाखा कार्यालय में शाखा प्रबन्धक द्वारा अस्थायी

रूप से आकस्मिक श्रमिक के रूप में नियुक्त कर कार्य लिया जाता था जिस बाबत उसे भुगतान किया जाता था । प्रार्थी से 108 दिन का अतिरिक्त कार्य लिया गया जिसका उसे भुगतान कर दिया गया था ।

इस सम्बन्ध में यदि दस्तावेजों का अवलोकन करे तो इस बाबत प्रार्थी की ओर से प्रस्तुत समस्त दस्तावेज जिसमें प्रदर्श-15 जो कि 21.09.12 का प्रार्थी को फोटो कोपी कराने के बाबत तथा प्रदर्श-16 फुटकर खर्च ट्रान्सपोर्ट से सामान लाने बाबत जो दिनांक 21.09 का है तथा वर्ष पठनीय नहीं है, का भुगतान प्रार्थी संग्रामसिंह को किया गया है । इसी प्रकार प्रार्थी की ओर से प्रस्तुत प्रदर्श-29 दिनांक 02.06.2011 का विपक्षी कार्यालय का बाउचर है जो 250/-रूपये कलेक्शन बाबत उल्लेख है । इसी प्रकार प्रदर्श-30 दिनांक 26.05.11 का भी कलेक्शन बाबत बाउचर है तथा प्रदर्श-34 व 36 कमशः दिनांक 31.03.11 व 04.06.11 के बिल है जो किसी संस्थान द्वारा विपक्षी कार्यालय को प्रेषित किये गये हैं ।

प्रार्थी की ओर से प्रस्तुत प्रदर्श-48 के द्वारा प्रार्थी को दिनांक 13.12.2010 को अस्थायी श्रमिक के रूप में कार्य किये जाने के भुगतान का है । प्रदर्श-49 दिनांक 05.01.11 प्रार्थी द्वारा कय किये सामान आदि का बाउचर है, प्रदर्श-50 दिनांक 24.01.11 का धुलाई का बिल है, जिनका भुगतान प्रार्थी को किया गया है तथा प्रदर्श-51 प्रार्थी द्वारा दिनांक 15.11.10 से 30.11.10 तक प्रार्थी को किये गये वेतन के भुगतान का है । उक्त अवधि 85 दिन के लिये प्रार्थी को अस्थायी कर्मचारी के रूप में नियुक्त अवधि के बाबत है । प्रदर्श-52 दिनांक 22.07.11 का टोनर रिफिल आदि का है तथा प्रदर्श-53 स्टेशनरी कय करने का है जिनका भुगतान प्रार्थी को किया गया है तथा प्रदर्श-54 दिनांक 06.05.11 का प्रार्थी द्वारा श्रमिक के रूप में किये गये कार्य का 135/-रूपये का भुगतान किया गया है । इसी प्रकार प्रदर्श-55 के द्वारा मई 2011 में 26 दिन तक अस्थायी श्रमिक के रूप में कार्य कराये जाने के भुगतान बाबत है ।

प्रार्थी की ओर से प्रदर्श-47 बजट नियन्त्रण रजिस्टर जो विपक्षी कार्यालय के नाथद्वारा ऑफिस का प्रस्तुत किया गया है, यह फोटो प्रति है जिसके सम्बन्ध में प्रार्थी द्वारा अपनी साक्ष्य में यह प्रकट नहीं किया गया है कि ये उसे किस प्रकार से उपलब्ध हुआ, जबकि प्रार्थी ने अपनी साक्ष्य व बहस में यह प्रकट किया कि प्रदर्श-47 रजिस्टर का संधारण उसकी हस्तलिपि में है, लेकिन इस तथ्य को प्रार्थी विधि अनुसार साबित नहीं कर सका है । प्रथम तो यह रजिस्टर की फोटो कोपी प्रार्थी को किस प्रकार प्राप्त हुई, यह प्रकट नहीं हुआ है तथा दूसरा बजट नियन्त्रण रजिस्टर संधारण करने का कार्य चतुर्थ श्रेणी कर्मचारी का नहीं होता है तथा यह रजिस्टर प्रदर्श-47 उचित अभिरक्षा से प्रस्तुत नहीं हुआ है, अतः यह प्रार्थी द्वारा संधारित किया गया हो, यह तथ्य माने जाने योग्य नहीं है ।

इसके अलावा विपक्षी की ओर से प्रार्थी द्वारा तलब कराये जाने के फलस्वरूप प्रदर्श एन.ए.-5 लगायत प्रदर्श एन.ए.-60 प्रस्तुत किये गये हैं जिनमें वर्ष 2005 से 2012 तक प्रार्थी द्वारा श्रमिक के रूप में किये गये कार्य व प्रार्थी द्वारा कय कर लाये गये सामान के बिल है ।

उपरोक्त मौखिक व दस्तावेजी साक्ष्य के अवलोकन से इस मामले में यह साबित होता है कि प्रार्थी को विपक्षी संस्थान द्वारा दिनांक 19.10.2005 से 11.01.2006 तक 85 दिनों के लिये तथा 15.11.2010 से 07.02.2011 तक 85 दिनों के लिये अस्थायी चतुर्थ श्रेणी कर्मचारी के पद पर नियुक्ति दी गई थी तथा उसे उक्त अवधि का वेतन का भुगतान किया गया था । इसके अलावा मई, 2011 में 26 दिनों के लिये प्रार्थी से अस्थायी कर्मचारी के रूप में विपक्षी द्वारा कार्य लिया गया । इसके अलावा वर्ष 2005 से 2012 के मध्य प्रार्थी से कुछ दिनों के लिये विपक्षी संस्थान में अस्थायी श्रमिक के रूप में कार्य लिया गया जिसका उसे भुगतान कर दिया गया । इस प्रकार सम्पूर्ण साक्ष्य से यह साबित होता है कि दिनांक 19.10.2005 से 16.11.2012 के मध्य किसी भी कलेण्डर वर्ष में प्रार्थी ने विपक्षी संस्थान में 240 दिन कार्य नहीं किया । अतः औ. वि. अधिनियम की धारा 25(च) के तहत दिनांक 16.11.2012 को सेवा पृथक करने से पूर्व प्रार्थी को लिखित सूचना पत्र या प्रतिकर राशि देना विपक्षी के लिये आवश्यक नहीं था । फलस्वरूप प्रार्थी संग्रामसिंह को विपक्षी द्वारा दिनांक 16.11.2012 को सेवापृथक करने की कार्यवाही वैधानिक एवं न्याय संगत है । अतः प्रार्थी कोई राहत पाने का अधिकारी नहीं है ।

अतः भारत सरकार द्वारा प्रेषित प्रसंग दिनांक 24.08.2015 तथा संशोधित अधिसूचना दिनांक 05.08.2016 को उत्तरित करते हुये पंचाट इस प्रकार पारित किया जाता है कि—

“प्रबन्धन श्रीमान् वरिष्ठ मण्डल प्रबन्धक, भारतीय जीवन बीमा निगम मण्डल कार्यालय, रेती स्टेण्ड, उदयपुर-313001 (राजस्थान) एवं श्रीमान् शाखा प्रबन्धक, भारतीय जीवन बीमा निगम, सुखाडिया नगर, नाथद्वारा, राजसमन्द (राजस्थान) द्वारा कर्मकार श्री संग्रामसिंह पुत्र चतरसिंह राव को दिनांक 16.11.2012 से सेवा से पृथक करने की कार्यवाही वैधानिक एवं न्याय संगत है । इसलिये प्रार्थी कोई राहत पाने का हकदार नहीं है ।

पंचाट प्रकाशनार्थ भारत सरकार को भेजा जावे ।

AWARD

In the present case, matter was referred to Central Government Industrial Tribunal cum Labour Court No.2, New Delhi vide letter No.L-42011/33/2012-IR(DU) dated 19.07.2012 under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947(in short the Act) for adjudication of an industrial dispute, terms of which are as under:

‘Whether the action of the management of Delhi Doordarshan in not regularizing the services of the workman Shri Ashok Kumar and instead terminating his services in December, 1999, is illegal and unjustified? If so, what relief he is entitled and what directions are necessary in this respect ?’

2. Both parties were put to notice and the claimant., Shri Ashok Kumar filed statement of claim. As per the averments made in the claim petition, the workman was engaged as a casual staff (Production Artist) since 1-1-1996 with the Management. This is a second round of litigation and earlier consequent upon his removal from service in November, 1999, the workman had moved Hon’ble Central Administrative Tribunal vide O.A. No.2519/1999 seeking assignment and regularization on the ground that he was working in Doordarshan for quite long time & had completed much more than 240 days of service in a calander year entitling him for regularization under the Scheme of Reguliazation of casual artists in Doordarshan dated 17/3/1994. The said O.A. was disposed of vide judgement dated 11/12/2000 with following observations :-

“7. In view of the foregoing discussion, the respondents should consider regularization of the applicants, in accordance with the Scheme dated 17/3/1994 and if this is not applicable to them in accordance with the Scheme that may be framed by them to regularize casual artists who have been appointed subsequent to 31.12.1991, on fulfillment of certain conditions stipulated by the Department within three months from the date of receipt of a copy of this Order. They also also engage the applicants whenever there is work.

8. O.A. is disposed of as above. No costs.”

Against the aforesaid judgement, the Management preferred Civil Writ Petition No.2589/2001 before Hon’ble High Court , which was clubbed alongwith CWP No.319/2001 and other petitions pertaining to employees of All India Radio, though the workman was an employee of Doordarshan. Hon’ble High Court decided & allowed the writ petitions vide a common judgement dated 13/2/2002. Since AIR & Doordarshan has separate rules & regulations and that there was a policy for regularization for the Staff Artists of Doordarshan, whereas AIR had no such policy, the workman approached the Hon’ble Supreme Court in SLP (Civil) No. 7954/2002 which was disposed of as withdrawn vide order dated 26/4/2002, with liberty to the workman to approach the High Court. Workman preferred a review application bearing RA No.13061/2003 before Hon’ble High Court of Delhi, which was dismissed on the ground of delay and hence, the matter was not decided on merits.

3. It is the case of the workman that regularization of casual employee is a policy decision being taken by the Govt. from time to time and pursuant to judgement dated 14/2/1992 passed by Hon’ble Central Administrative Tribunal in O.A. No.563/1986 (Anil Kumar Mathur Vs. UOI), the Doordarshan/ Management herein formulated a regularization scheme vide OM No.2(3)/86-S.I. dated 9/6/1992 wherein also alleged crucial date i.e.31/12/1991 was insisted upon. In other cases bearing OA No.1359.93 (Neeraj Bhanot Vs. UOI) and OA No.1360/93 (LS Rawat Vs. UOI) decided vide judgement dated 14/2/1993, Central Administrative Tribunal held that the scheme does not exclude consideration of those casual artists who were engaged after 31/12/1991 and that respondents shall consider regularization the applicant as Production Assist ant in his turn strictly in terms of unit seniority. In compliance of the aforesaid judgement, the workman Neeraj Bhanot was regularized on 25/10/2000, whereas another workman Mr.L.S.Rawat was regularized on 26/5/2005. In the wake of aforesaid decisions, the workman herein preferred a representation dated 2/2/2010 to the Management No.1 which is still pending consideration. Hence, prayer has been made that the Management be directed to regularize the service of the Workman as Production Assistant w.e.f. 11/12/2000 i.e. the date of judgement of Hon’ble CAT with all consequential benefits in terms of law laid down by Hon’ble Delhi High Court vide judgement dated 28/1/2004 in CWP No. 2612/20003.

4. Management has resisted the claim of the Workman and filed written reply, taking preliminary objections that the present claim is a misuse of the process of law inasmuch as no cause of action has arisen in favour of the workman and that the present claim is hopelessly barred by res-judicata as the Workman has lost battle even upto the level of t he Apex Court. On merits, management denied most of the averments contained in the statement of claim. It has been

alleged that dispute between the parties has attained finality, inasmuch as the OA No.2519/1999 preferred by the workman was disposed of by the Central Administrative Tribunal was disposed of vide order dated 11/12/2000 and the said order was set aside by Hon'ble High Court vide common judgement dated 13/2/2002 passed in the writ petitions moved by the Management. Thereafter, the Workman filed a SLP which was subsequently withdrawn with liberty to move Hon'ble Delhi High Court. Review application filed by the Workman before Hon'ble Delhi High Court was dismissed. Prayer has been made for rejection of the statement of claim of the Workman.

5. On the pleadings of the parties, following issues were framed on 19/06/2013 :-

- 1) Whether order dated 11.12.2000 passed by Central Administrative Tribunal operates as res judicata ?
- 2) As in terms of reference ?

6. The Claimant in support of his case examined himself as W.W.1 and tendered his affidavit Ex.WW1/A alongwith documents Ex.WW1/1 to WW1/14

7. On the other hand, the Management in order to rebut the case of the claimant examined two witnesses namely Mr. Ram Lal, Administrative Officer working at Doordarshan Kendra, Delhi as MW1 who tendered his evidence by way of affidavit Ex.MW1/A, and Mr. V. Venkatesh, Administrative Officer who also tendered his evidence in the form of affidavit Ex.MW2.A.

8. I have gone through the evidence adduced on record and have given my thoughtful consideration to the arguments advanced on behalf of the parties

Issue No. 1 and 2 :-

9. Both these issues are being taken up together for the purpose of discussion as they can be conveniently disposed of.

10. The doctrine of res judicata as codified in Section 11 of Civil Procedure Code is based on the need of giving a finality to judicial decisions. What it says is that once a res is judicata, it shall not be adjudged again. Primarily it applies as between past litigation and future litigation. When an issue directly or substantially the same – whether on a question of fact or a question of law, has been decided between two parties in one suit or proceeding and the decision is final, either because no appeal was taken to a higher court or because the appeal was taken to a higher court or because the appeal was dismissed or no appeal lies, neither party will be allowed in a future suit or proceeding between the same parties to canvass the matter again.

11. Issue No.1 being legal in nature and the fact that Management in fact has not led any evidence in respect, this issue has to be decided in the wake of evidence adduced on record by the workman/claimant herein. It is apparent from the record that the workman/claimant had moved Hon'ble Central Administrative Tribunal vide O.A. No.2519/1999 seeking regularization of his services on the ground that he was working in Doordarshan for quite long time & had completed much more than 240 days of service in a calendar year entitling him for regularization under the Scheme of Regularization of casual artists in Doordarshan dated 17/3/1994. The said O.A. was disposed of vide judgement dated 11/12/2000, directing the Management to consider regularization of the applicant/claimant, in accordance with the Scheme dated 17/3/1994 and if the same is not applicable to them in accordance with the Scheme that may be framed by them to regularize casual artists who have been appointed subsequent to 31.12.1991, on fulfillment of certain conditions stipulated by the Department within three months from the date of receipt of a copy of the Order. Thereafter the Management had moved the Hon'ble High Court vide CWP No.2589/2001, which matter was clubbed alongwith CWP No.319/2001 (titled as UOI Vs Anshul Sharma & others) and other such petitions pertaining to employees of All India Radio, though the workman was an employee of Doordarshan. Hon'ble High Court decided & allowed the writ petitions vide a common judgement dated 13/2/2002. It is not out of place to mention here that the decision in the aforesaid CWP No.319/2001 was primarily in respect of employees working as Casual Artists in All India Radio, whereas the workman/claimant herein was admittedly had been working as a casual staff (Production Artist) since 1-1-1996 in Doordarshan. A perusal of the judgement rendered by the Hon'ble High Court in aforesaid CWPs would show that in the said judgement, there is no specific reference to the set of employees of Doordarshan. However, the decision given by Hon'ble CAT vide order dated 11/12/2000 was set aside by the Hon'ble High Court vide judgement dated 13/2/2002, in the backdrop that petitioners/employees therein were not fulfilling the essential conditions of regularization and that there was no scheme of regularization for the employees of All India Radio. It is undisputed fact that a scheme vide O.M. No. vide OM No. 2(3)/86.SI, dated 17/3/1994 (Ex. WW1/11) was formulated by the Doordarshan (Management herein) and the cut off date as mentioned in the aforesaid scheme is 31/12/1991. Since the Hon'ble High Court had clubbed case of the workman/claimant herein viz. the CWP 2589/2001 (titled Union of India & others Vs. Ashok Kumar and another) with the CWP No.319/2001 (UOI Vs. Anshul Sharma and others), as such common judgement dated 13/2/2002 was rendered by the Hon'ble High Court. As discussed above, a bare perusal

of entire judgement of the Hon'ble High Court would show that there is no mention of Casual Production Artists who were working in Doordarshan.

12. It is not out of place to mention here that claimant herein filed Review Application bearing RA No.13061/2003 before Hon'ble High Court as per direction of Hon'ble Supreme Court in SLP (Civil) No. 7954/2002 but the same was dismissed on the ground of delay. Now, the vital question before this Tribunal is as to whether the judgement given by Hon'ble CAT operates as res judicata partly. It is clear that in view of the decision of Hon'ble High Court in CWP No.319/2001 (UOI Vs. Anshul Sharma & others) and other CWPs, no relief was given to the workman/claimant herein and that the judgement dated 11/12/2000 of Hon'ble CAT in OA No. 2519/1999, was set aside by Hon'ble High Court. A careful analysis of the same, as discussed above, would show that in fact that there was no regularization scheme in respect of the employees of All India Radio, whereas there happened to be a regularization scheme (Ex.WW1/11) in respect of employees of Doordarshan.

13. It is also evident from the record that later on in the matter before Hon'ble High Court in the matter CW 2612/2003 (CEO Prasar Bharti & others Vs. Lakhpat Singh Rawat), wherein the respondent workman was engaged as Casual Production Assistant on 29/2/1992, a similar issue was involved as to whether the workmen appointed after 31/12/1991 – the date fixed under the scheme for regularization of casual artist, are entitled to be considered for regularization, in view of the scheme formulated by the Doordarshan vide OM No. 2(3)/86.SI, dated 17/3/1994. This issue was decided in affirmative by holding as under :-

“We find that Tribunal in OA 1359/1993 filed by Mr. Neeraj Bhanot had ruled that cut date (31.12.1991) fixed in petitioners scheme framed in 1992 was not the ultimate deadline and that those appointed after this date were also entitled to consideration for regularization of their services against the remaining vacancies after accommodating all those who had been engaged prior to 31.12.1991. Admittedly, this verdict has gone unchallenged by the petitioners and it holds the field till date. If that being so, the cut off date fixed in the scheme formulated by petitioners has ceased to be the deadline beyond which a person engaged after 31.12.1991 would be disentitled to be considered for regularization. That being so, there was nothing wrong with the Tribunal's direction asking petitioners to consider the respondent for regularization of his services because his right of consideration survived the petitioners deadline and remained intact as a consequence of Tribunal verdict in Bhanot's case. Therefore, there is no merit in petitioners stand that this respondent was not eligible for consideration for regularization under the Scheme. The Tribunal direction to that extent is affirmed....”

It is thus, clear from the perusal of aforesaid para of the judgement rendered by Hon'ble High Court that the Casual Artist who were engaged after cut off date of 31/12/1991 are entitled to be considered for regularization, in view of the judgement dated 28/1/2004 (Ex.WW1/13) rendered by the Hon'ble High Court, which is subsequent to the judgement passed in CWP No.2589/2001 clubbed with CWP No.319/2001 (Union of India Vs. Anshul Sharma and others) & others – Ex.WW1/8).

14. Perusal of judgement Ex.WW/13 in CEO Prasar Bharti Vs. Lakhpat Singh Rawat (supra) would show that in the said case also, the Management had taken a specific plea that case of the claimant/workman is not covered by the scheme for regularization as he was appointed after the cut off date and this plea was rejected.

15. Even otherwise, it is settled principle of law that that the judgement so rendered by the Hon'ble High Court is binding and applicable to the parties concerned. However, if the question referred/decided in the earlier judgement was again agitated before the Hon'ble High Court and the High Court has taken a view different than that in earlier case, keeping in view the judgement of the Hon'ble Supreme Court, in that eventuality it is the subsequent judgement rendered by Hon'ble High Court which will be applicable to the parties. In this regard, reference can be made to the judgement of the Hon'ble Supreme Court in the case of **State of Uttar Pradesh and others Vs. Arvind Kumar Srivastava and others (2015) 1SCC 347** wherein Hon'ble Apex Court while dealing with the question whether the benefit of a judgement can be taken by all similarly situated employees who were not party to the Writ Petition, had answered the same in affirmative, by observing as under :-

“The normal rule is that when a particular set of employees is given relief by the court, all other identically situated persons need to be treated alike by extending that benefit. Not doing so would amount to discrimination and would be violative of Article 14 of the Constitution. This principle needs to be applied in service matters more emphatically as the service jurisprudence evolved by the Supreme Court from time to time postulates that all similarly situated persons should be treated similarly. Therefore, the normal rule would be that merely because other similarly situated persons did not approach the Court earlier, they are not to be treated differently.”

Therefore the judgement rendered by Hon'ble High Court in the case of **CEO Prasar Bharti Vs. Lakhpat Singh Rawat (supra)**, which is directly in issue relating to the employees working in Doordarshan, would be applicable to the parties and benefit of the same can also be taken by similarly situated workman, though workman/claimant herein was not party to the Writ Petition in **CEO Prasar Bharti Vs. Lakhpat Singh Rawat (supra)**.

16. It is undisputed fact that workman/claimant was engaged as a casual staff (Production Artist) since 1/1/1996 and he worked till December, 1999 when his services were terminated by the Management. Thus, the workman./claimant worked for about four years till the date of his termination. The workman/claimant when appeared in the witness box as WW1 deposed in his cross examination recorded on 20/8/2015 that he is now working with the Management from December, 2003 till date. As per version of the workman/claimant, he had given a representation dated 2/2/2010 to the Management for regularization of his services but same is still pending consideration. The witness examined by the Management namely MW2 Shri V. Venkatesh, Administrative Officer deposed in his cross examination that the judgement in the case of L.S. Rawat still holds the field.

17. In view of the above it is held that though the case of the workman/claimant herein is partly barred by the principle of res judicata as the judgement dated 11/12/2000 given by Hon'ble Central Administrative Tribunal was set aside by Hon'ble High Court vide a common judgement dated 13/2/2002, yet due to subsequent pronouncement in CEO Prasar Bharti Vs. Lakhpat Singh Rawat (supra), the workman /claimant can not be denied the relief for regularization on the basis of parity and equity, inasmuch as other co-workers namely Neeraj Bhanot and Lakhpat Singh Rawat have already been granted benefit of regularization by the Management and the decision rendered in the case of CEO Prasar Bharti Vs. Lakhpat Singh Rawat (supra) still holds the field.

18. In the light of aforesaid facts and circumstances, this Tribunal has no hesitation to hold that the action of the Management in not regularizing the services of the workman is illegal and unjustified and that the workman is entitled to be regularized under the Regularization Scheme dated 9/6/1992.

19. As a sequel to my aforesaid discussion, I am of the considered view that the ends of justice will meet if the Management is directed to regularize the services of the workman/claimant under the Regularization Scheme dated 9/6/1992 against the vacant posts, from the very date when the services of co-worker immediately next junior to the workman/claimant were regularized. The Management is also directed to grant the workman/claimant, all consequential/monetary benefits from the very date of his regularization. The Award is passed accordingly.

Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

In the present case, matter was referred to Central Government Industrial Tribunal-cum-Labour Court No.2, New Delhi vide letter No.L-42011/65/2014-IR(DU) dated 17.07.2014 under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 (in short the Act) for adjudication of an industrial dispute, terms of which are as under:

“Whether refusal to grant ACP in the scale of Rs. 4000 -6000 to Shri Virender Singh (sic.Jagan Lal Chauhan), the workman by the management of Non Statutory Canteen, Ministry of Defence under Joint Secretary training and CAO in the tune of Memo No. 3/4/2005-Dir© dated 25.7.2012 is just, fair and legal ? If not what relief the workman concerned are entitled to ?”

2. Both parties were put to notice and the claimant., Shri Jagan Lal Chauhan filed his statement of claim followed by amended claim application, with the averments that the workman was appointed as Bear in the pay-scale of Rs.160-275/- in the non statutory canteen under the control of the Management and thereafter he was designated as Asstt.Halwai cum Cook to which post he is working w.e.f. 1/5/1989. The Departmental canteen under the DRDO recruitment and promotion rules was published on 26/3/1999 and accordingly, in situ promotion 60 bears were granted the pay scale of Rs.4000-6000/- in the promotional grade of cook. A demand notice was submitted by the workman through the Association for grant of pay scale of Rs.4000-6000/- w.e.f. 9/8/1999 in the case of claimant w.e.f. 2001 but the same was not considered by the Management despite the fact that an order dated 14/1/2008 was issued by the Department of Personnel that educational qualifications are not required for the grant of ACP for the post of Bear, Tea Coffeeneator, Wash Boy etc. The workman has prayed that 1st ACP in the pay scale of Rs.4000-6000/- and other benefits/grade pay of Rs.2400/- may be ordered to be granted to him.

3. Management resisted the claim of the Workman, by filing written statement wherein preliminary objections were taken inter-alia that the claimant has no locus standi to file the claim as there is no industrial dispute between the claimant and the Management. It has been objected that there is absolutely no espousal and even the so called espousal list has not been provided by the claimant. The demand raised by the claimant is unfounded and devoid of any universal character. The statement of claim is wrong and false. The prayer of the claimant does not stand as he was appointed as Asstt.Halwai cum cook and not bearer and was given 1st and 2nd financial upgradation under the old ACP Scheme of the Govt. and so question of denial/refusal of ACP in the scale of Rs.4000-6000/- does not arise. Prayer has been made for rejection of the claim petition.

4. On the pleadings of the parties, following issues were framed on 22/12/2016 :-

- 1) Whether refusal to grant ACP in the scale of 4000-6000/- to Shri Jagar Lal Chauhan, the workman by the management of Non Statutory Canteen, Ministry of Defence, under Joint Secretary Training and CAO in the tune of memo No.3.4.2005 (c) dated 25/7/2012 is just, fair and legal ? If so, its effect ?
- 2) Whether canteen employees who are holders of civil post ad classified as under General Central Service Post can seek relief under Industrial Dispute Act ?
- 3) Whether the legal and valid espousal was given by the workman ?
- 4) To what relief the workman is entitled to and from which date ?

5. Number of opportunities were granted to the Claimant to lead evidence in support of his claim but he failed to adduce any evidence. He even did not enter the witness box either to substantiate the averments made in the claim petition or to rebut the case of the Management that the claimant being employed to the managerial post, does not come within the ambit of definition of Workman. Perusal of the record shows that neither the claimant nor his Authorised Representative participated in the proceedings before the Tribunal since 8/1/2018 onwards, despite the fact that matter was adjourned time and again and ultimately this Tribunal vide order dated 2/4/2018 was constrained to reserve the matter for passing the award, as it seemed that the claimant was not at all interested to prosecute his claim petition.

6. In view of the fact that the claimant has not led any evidence in support of his claim, this Tribunal has no option but to pass No Dispute Award in the matter. Since the matter has not been decided on merits, there will be no bar for the claimant to file afresh claim petition in accordance with law for adjudication of the controversy in issue or to seek any other relief to which he is otherwise entitled to. Award is passed accordingly.

Let a copy of this Award be sent for publication as required under Section 17 of the Act.

It is further stated that worker was paid 3 months basic pay in lieu of notice period in compliance of section 25F of ID act and also as per terms and conditions of appointment letter. The management has not violated the provisions of the act. It is false to allege that workman was not paid for notice period. The worker was paid Rs 20,524/- as 3 months basic pay at the time

of his termination. It is also alleged that it is discretion of the management to engage or disengage any worker and worker has no right to claim reinstatement. It is accordingly prayed that the worker is not entitled for any relief and his claim is liable to be dismissed being devoid of merit.

5. In the present case none of the parties have adduced any documentary or oral evidence hence it is clear that it is a case of no evidence. Burden lies on the worker to prove his case by adducing proper evidence oral as well as documentary but as the worker has failed to discharge his obligation, the reference is bound to be answered against the worker and in favor of the management.
6. Accordingly reference is decided against the workman holding that he is not entitled for any relief.

266, Field Repair Workshop (7001 EME, Engg.),
C/o 56 APO, Mathura Cantt.

Sri Abhishal Srivastava, Adv., Auth. Representative for Management

AWARD

1. Central Government, Mol & Employment vide notification no. L-13012/1/2011-(IR(DU)) dated 20.09.2011, has referred the following dispute for adjudication to this tribunal-
2. Whether the action of the Management of Officer Commanding 266, Field Repair Workshop EME Mathura, in terminating the services of Sri Mool Chand Jatav, casual labor w.e.f.31.12.2007 is legal and justified? What relief the workman is entitled to?

3. Briefly stated facts of the case are that he was appointed by the management on 01.01.90 at M/s 297 Intermediate Workshop EME Mathura and he was paid Rs.800/- per month by the management from the date of his appointment till the date of termination of his service. At the time of appointment he was designated as Labor but subsequently he was used to work as Taylor and his pay was also enhanced to Rs. 1200/- . He continued to work continuously from the date of his appointment i.e. 01.01.90 to 31.12.07, when he was illegally removed from the service of the management. It is further stated that after his dispensation of service he represented the matter before Director General on 08.03.08 which was followed by letter dated 12.08.08 and 09.02.08 but he did not receive any reply from the management. Worker has further stated that during the period of his service he was never paid fixed wages by the Military nor reasons thereof was shown to him. The work performed by him was of technical, regular and of permanent nature and after him fresh hand was recruited, thus the management has breached the provisions of section 25H of Industrial Disputes Act, 1947. He rendered continuous service for 18 years still he was removed from the service ignoring the fact that the work on which he was appointed is still lying with the management. Neither the worker was paid any notice, notice pay nor retrenchment compensation at the time of dispensation of his service and that before termination of his service entire dues ought to have been paid to him by the management. In this way he was made victim of Unfair Labor Practice at the hands of the management, therefore, he has prayed he be reinstated in the service of the management w.e.f.31.12.07 with full back wages, continuity of service and all other consequential benefits. Cost of the case be also allowed to him.
4. Management filed its reply wherein by way of preliminary objection it is stated that there was no relationship of employer and employee between the management and worker; claimant is not a workman u/s 2(s) of the Act; claimant was never on the rolls of the management at any point of time; the management never paid him wages within the meaning of definition of “wages” under the Act; the service conditions applicable on the employees of management are not applicable on the claimant; the claimant is trying to seek back door entry by way of litigation dehorring Government Rules and Policy and lastly that the claimant has no locus standi to justify his claim through the provisions of the Act.
5. On merit, it is pleaded by the management that the claimant was never appointed at any post at any point of time by the management. Claimant has not any appointment letter. Workshop of the management is not competent to hire or appoint any kind of mazdoor or labor. As the claimant was never appointed by the management question of his termination from service does not arise. Management also denied that they ever received any representation from the claimant and also that there is no record available with the management regarding his working. Management has further submitted that there is a prescribed process and rule regarding employment of any person under the management being unit of Indian Army and the claimant was never subjected to such recruitment process. It is also denied by the management that they ever appointed any person in place of claimant as pleaded by him. The provisions of Industrial Disputes Act are not applicable upon the claimant and lastly it is stated by the management that when claimant was neither employed nor his services were terminated question of making compliance of the provisions of the Act does not arise. In the end it is prayed that the claim of the claimant is liable to be rejected being devoid of merit.
6. Claimant has filed rejoinder but nothing new has been asserted therein except confirming the facts of the claim petition.
7. Worker Mool Chand Jatav has examined himself as WW1 and has filed photocopy of representation dated 6.03.2008 made to Director General paper no. 15/4. Copy of legal notice 15/5 -8, photocopy of certificates paper no. 15/9-11 and legal notice under section 80 C.P.C 15/12. He has also filed original certificates 20/2-4.
8. Management examined Major Pant as MW1 and has filed original civilian pass register.
9. I have heard parties representatives and have perused the evidence on record.
10. The reference sent by Ministry is with regard to termination of service of worker Shri Mool Chand Jatav w.e.f. 31.12.2007. Worker has alleged that he was appointed on 1.01.90 and he was paid wages at Rs 800/per month from the date of appointment till date of termination.
11. Management in reply stated that worker has not been paid wages from the management and there was no relationship of employer and employee between the management and worker and he was never appointed by the management.
12. WW1 Mool Chand Jatav has filed his evidence on affidavit supporting his case but in his cross examination he has deposed that he was not given any appointment letter and was appointed orally. He was paid wages after putting his signature on the register. He was issued gate pass and further stated that every person who enters in the premises of management entry to this effect is made in the register but on perusal of civil pass register filed by the management, worker has admitted that this register is from 2002-2010 and in this register photos are

affixed but his photograph is not affixed in the register nor any entry of worker finds place in the register. He has denied the suggestion that the photocopy of certificates paper No. 8/2-4 of the original are filed today are forged documents.

13. Worker has filed 3 certificates. They are not admitted by the management and the management alleged that these certificates are forged. Therefore under the circumstances it was duty of the worker to prove the certificates by summoning the officers who are alleged to have issued these certificates. In this regard MW1 Major Pant has stated that the certificates filed by worker was forged and management never employ any casual labor on daily wages. He further stated that worker never worked with the management nor was paid any wages.
14. Besides the most important document is civil pass register which shows that nine person (Civilians) have been issued temporary identity card at a time and when any of nine person stops working then his temporary identity card and permanent gate pass are destroyed in his presence by burning and a certificate to this effect is placed on the civil pass register. It also indicates that no civilian enters in the gate without having temporary identity card and gate pass and in this civilian pass register any endorsement of entry of worker and its gate pass does not find place which is also admitted by worker himself in his cross examination.
15. Having considered the above it is concluded that the worker has failed to prove that he was issued any appointment letter and he received any wages from the management.
16. Accordingly it is held that worker has palpably failed to prove his case that he remained in the employment of the management w.e.f 1.01.90 to 31.12.2007 and that he received wages from the management, therefore it is held that the worker is not entitled for any relief. As such reference is answered against the worker.

No. 51/2012) of the Central Government Industrial Tribunal-cum-Labour Court, Kanpur as shown in the Annexure, in the industrial dispute between the employers in relation to the Chairman, Army Public School, Jhansi Cantt., Jhansi and their workmen, which was received by the Central Government on 18.07.2018.

RAJENDRA JOSHI, Dy. Director

ANNEXURE

BEFORE SRI SHUBHENDRA KUMAR, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOR COURT, KANPUR

Industrial Dispute No. 51 of 2012

Between-

Man Singh S/o Late Sri Bhagwan Das, Resident of house No. 316 Dadiya Pura, Shivaji Nagar, Jhansi.

And

The Charman, Army Public School, Jhansi Cantt. Jhansi.

AWARD

1. Central Government, Mol, vide notification No. L-14012/01/2012-IR (DU) dated 04/07/2012 has referred the following dispute to this Tribunal for adjudication.

2. 'Whether the action of the management of Army Public School, Jhansi in terminating the services of Shri Man Singh S/o Late Bhagwan Das workman with effect from 07.11.2005 is just fair & legal? If not, what relief the workman concerned is entitled to?'
3. The case of the worker Man Singh is that after holding interview and after declaring him successful the opposite party appointed him at the post of Gardner on casual basis. He was given the status of permanent employee by the opposite party on 31.08.2000. It is further alleged that the opposite party terminated the services of the worker with effect from 07.11.05 on the ground of deductions in the budgetary provisions granted by the Government of India and that the work of gardening has been reduced and also without complying with the relevant provisions of the Act, in as-much-as he was not given retrenchment compensation at the time of his termination from the service of the opposite party. It is also alleged that the ground of short budget from government is a fake excuse and after his termination, 15 persons have been inducted at the same place where the worker was working. The termination of the worker was assailed before Central Administrative Tribunal Allahabad and the worker was again appointed on 06.01.2006, by the management on the basis of orders of Central Administrative, Tribunal Allahabad, but after three months he was again terminated from his services without any reason by oral orders.
4. The worker raised an industrial dispute before ALC©, Jhansi, and during the course of conciliation proceedings the representative for the opposite party accepted the working of other workers. The opposite party neither did comply with the directions of the authority nor filed the documents called by the worker before the authority, but the representative for the opposite party categorically submitted that management is ready to reemploy the worker in the service and took the worker with him for providing employment and got prepared a fake affidavit to the effect that the worker has received all dues and the worker has no complaint against the opposite party. It is also pleaded that the said submission in the affidavit is absolutely false and bogus, but the hard fact remains that he was not paid any amount nor the said affidavit was obtained from him on his consent.
5. The opposite party has deliberately violated the provisions of section 25H of Industrial Disputes Act, 1947.
6. It has been prayed by the worker that considering the facts and circumstances of the case, he be reinstated in the service of the opposite party with attendant benefits of the post.
7. The worker with his claim petition has filed photocopies of certain documents paper Nos 2/6-37.
8. The opposite party has filed their reply denying the entire pleadings of the worker. However, in additional please it was pleaded that the worker was negligent inefficient, disobedient towards the job and in-spite of warning he did not improve, hence his services were dispensed under law. The defendant did not deal with the worker and it was the Managing Committee who takes decision to keep servant in a School and that since the committee has not been made a party to the present dispute; therefore, dispute suffers from the defect of non joinder of necessary party. The worker has filed a fake and false complaint before the authorities at Jhansi and the opposite parties were ready to impress the applicant to work honestly and efficiently but the he failed to listen their advise and he never made any effort to become a good servant. The worker was asked to appear before the opposite party No.2 and apply a fresh for job and the Labor Officer also directed the worker likewise. The worker never appeared before the opposite party and was not serious to do job although the opposite parties were to help him. It is further alleged by the opposite party that without accepting any liability and without any prejudice the opposite party Army School does not come within the purview of Industrial Disputes Act and as such is not an Industry. The present claim is not maintainable before this learned Court.
9. In the end it is pleaded that the present case is devoid of merit and is not maintainable hence is liable to be dismissed.
10. The worker in the present case has filed affidavit in the shape of rejoinder and the second affidavit is to the effect for summoning certain documents from the management.
11. The worker has also filed rejoinder on affidavit but nothing new has been alleged therein except reiterating the facts already pleaded in the claim petition.
12. Worker has also moved application for summoning records from the management which are attendance register and payment register, which was allwed by my learned predecessor but management has not filed the documents, thereafter, my predecessor vide order dated 19.02.14 has held to draw necessary inference at the appropriate stage.
13. Worker has also filed his evidence on affidavit but none has appeared on behalf of the management to cross examine the worker, therefore, opportunity to cross examine the worker was closed.

14. Management did not adduce any evidence and its evidence was closed.
15. I have heard arguments of authorised representative for the worker and during the course of arguments it came to the notice of the tribunal that the worker has also filed OA before CAT Allahabad and this tribunal has directed the worker to produce the relevant documents pertaining to the OA filed by the worker before CAT. In this regard worker has moved an application stating that the file of worker in OA No. 1495/05 Man Singh versus UOI has been weeded out and also filed a certificate of CAT Allahabad to this effect. He has also filed an affidavit stating these facts on which management was given opportunity to cross examine the worker but no cross examination was done by the management.
16. Worker, however, has filed copy of order of CAT Allahabad dated 14.12.05 and copy of order dated 25.01.08 by which the case was finally decided by CAT Allahabad.
17. Worker has also filed several documents with the claim petition which shall be discussed at the relevant time.
18. In the affidavit filed in evidence by the worker he himself deposed that after interview he was appointed a casual labor in Army School on the post of Orderly/Mali vide order dated 01.07.98 and he was made permanent by order dated 31.08.2000, but on 07.11.05 his services were terminated but by order of court he was again taken on his work on 02.01.06 and without any reason after taking his services for three months his services were again dispensed with orally. The documents filed by the worker along with claim reveals that he was appointed by management on the post of Mali in June 98 and his services were extended from time to time and thereafter his services were terminated by order dated 07.11.05. The worker has challenged this order before CAT Allahabad by filing OA No. 1495 of 2005, and in compliance of the order of CAT management has permitted the worker to join the service till final verdicts of CAT is passed. As it reveals from paper No.2/18 filed by the worker himself and thereafter CAT vide order dated 25.01.08 has finally decided the case holding that they are not inclined to extend the stay orders and directed the respondent to decide the pending representation of worker dated 29.10.05.
19. Thus it is clear that termination of services of worker w.e.f. 07.11.05 were annulled in compliance of order of CAT and worker has joined his services again and thereafter as alleged by worker his services were terminated after 3 months orally. He reference sent by Central Government in this dispute is regarding termination of the services of the worker w.e.f. 07.11.0. In this regard as stated above in compliance of order of CAT worker has rejoined the service meaning thereby his termination order dated 07.11.05 has become ineffective and as alleged by the worker he was again terminated after three months, the second termination is neither the matter of dispute referred by Central Government in the present dispute nor can be decided by this tribunal
20. Reference is answered accordingly against the worker holding that he is not entitled for any relief pursuant to the present reference order.
